

Lucid's Monthly Patreon PDF

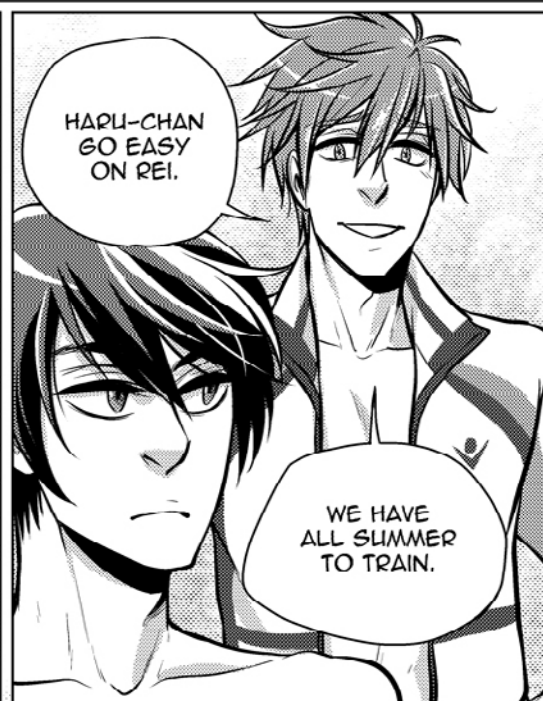

September 2014 | NSFW

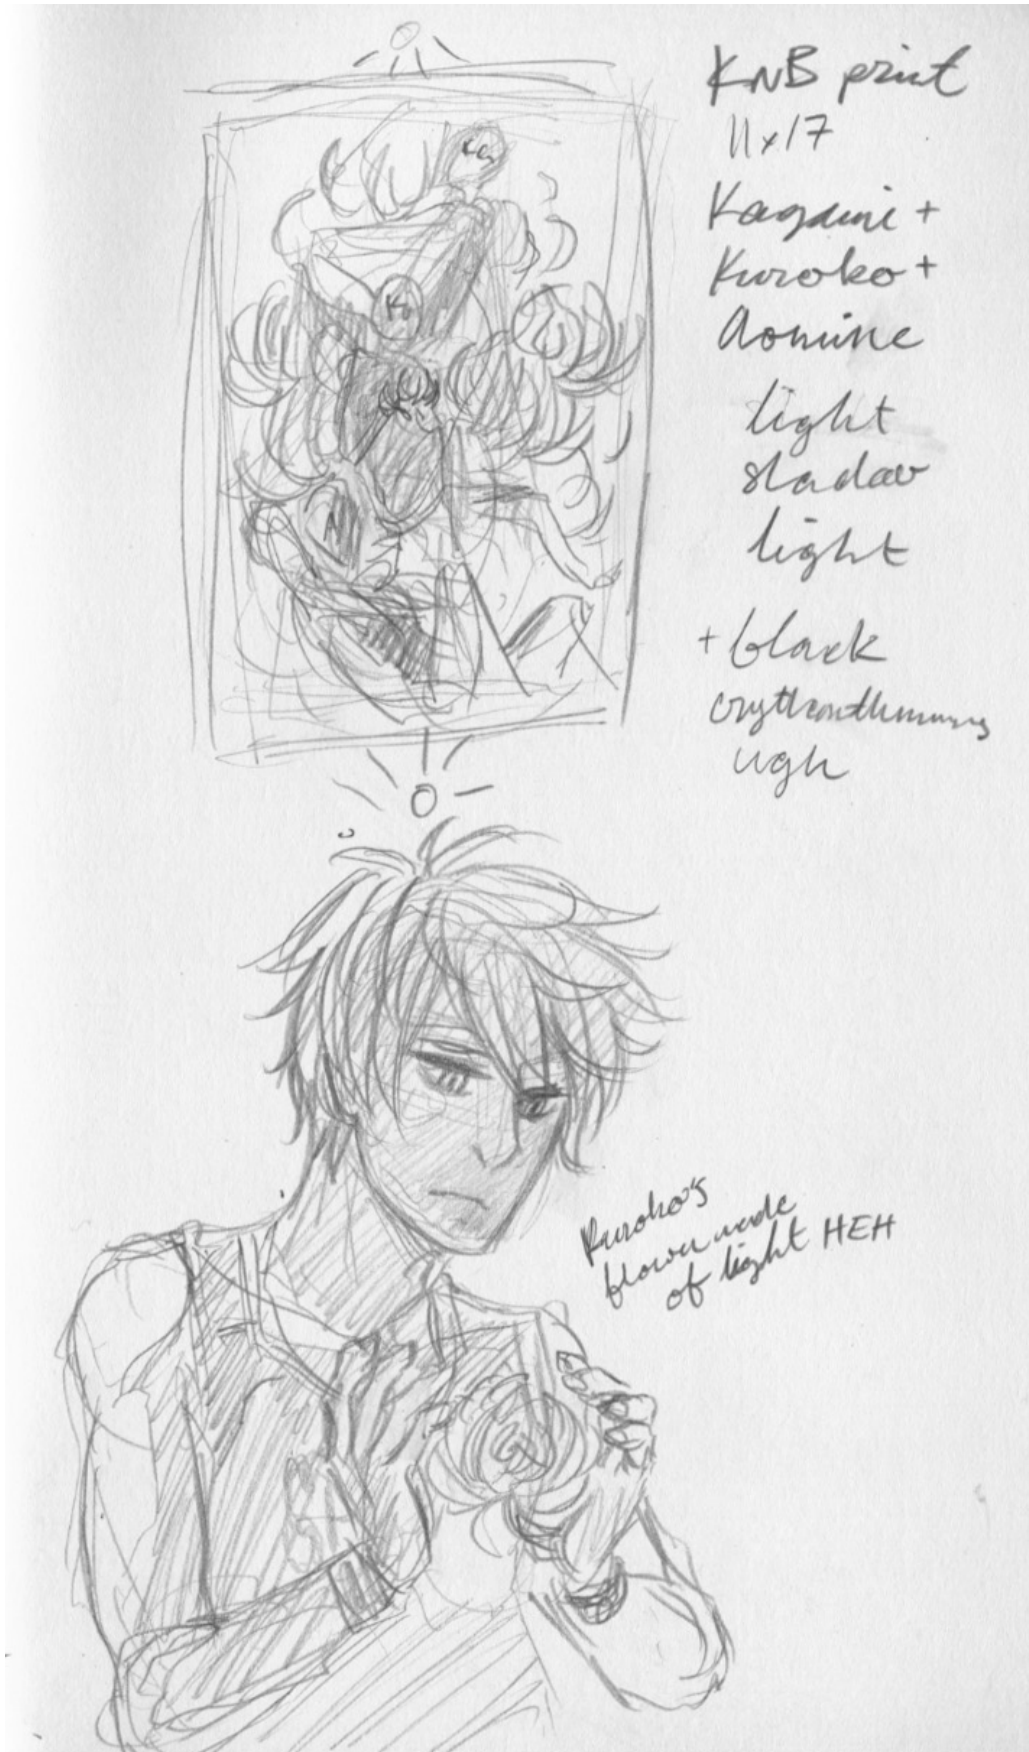

Thank you so much for being a Patron!

I got some prism bookmarks done through JiMi Agency, and they are currently being printed! There'll be four Evangelion bookmarks and one Free! bookmark. They should be up in my store later this month.

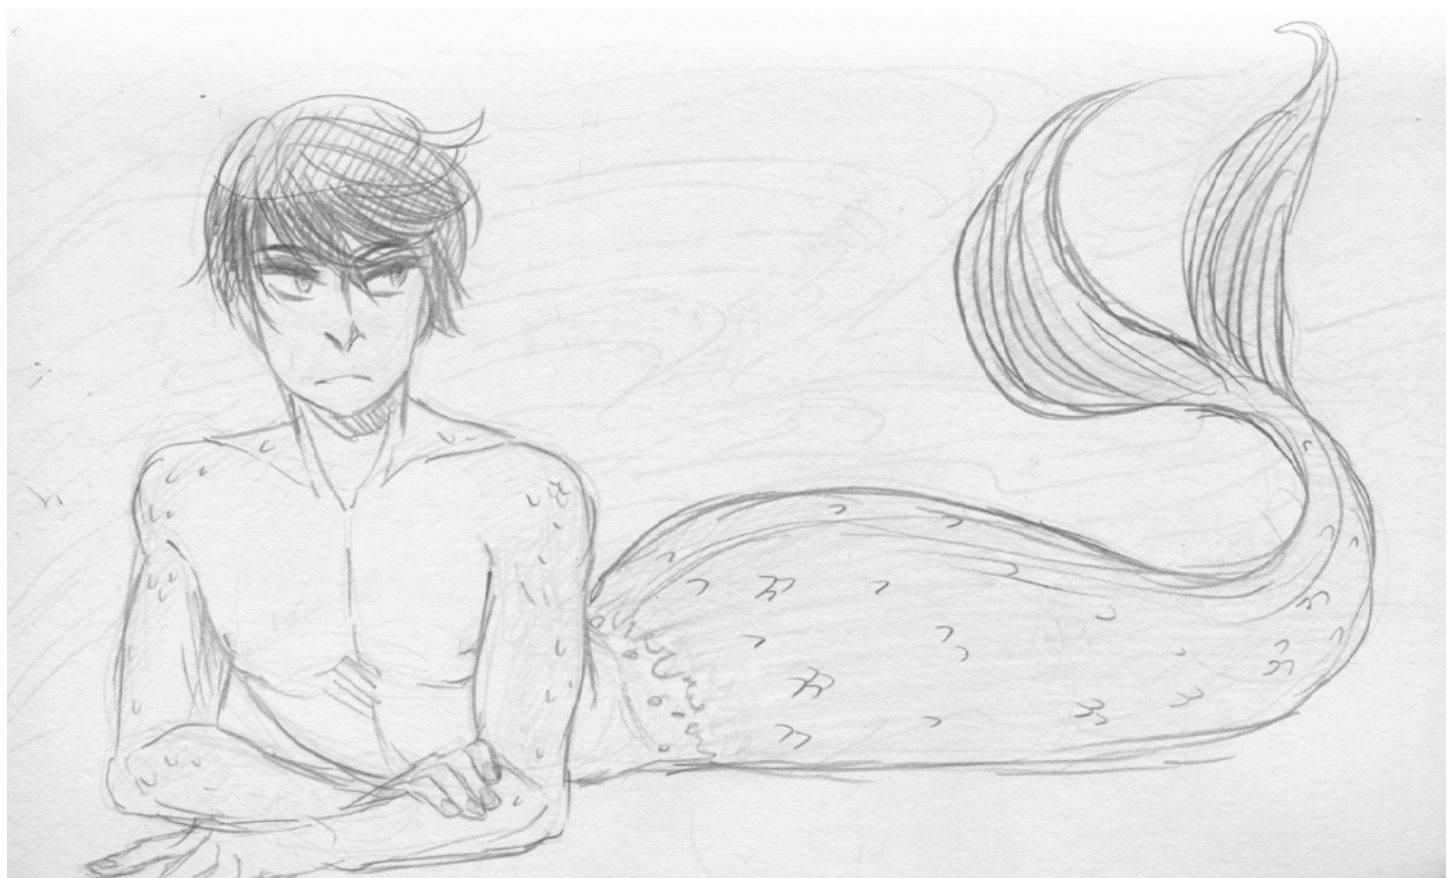

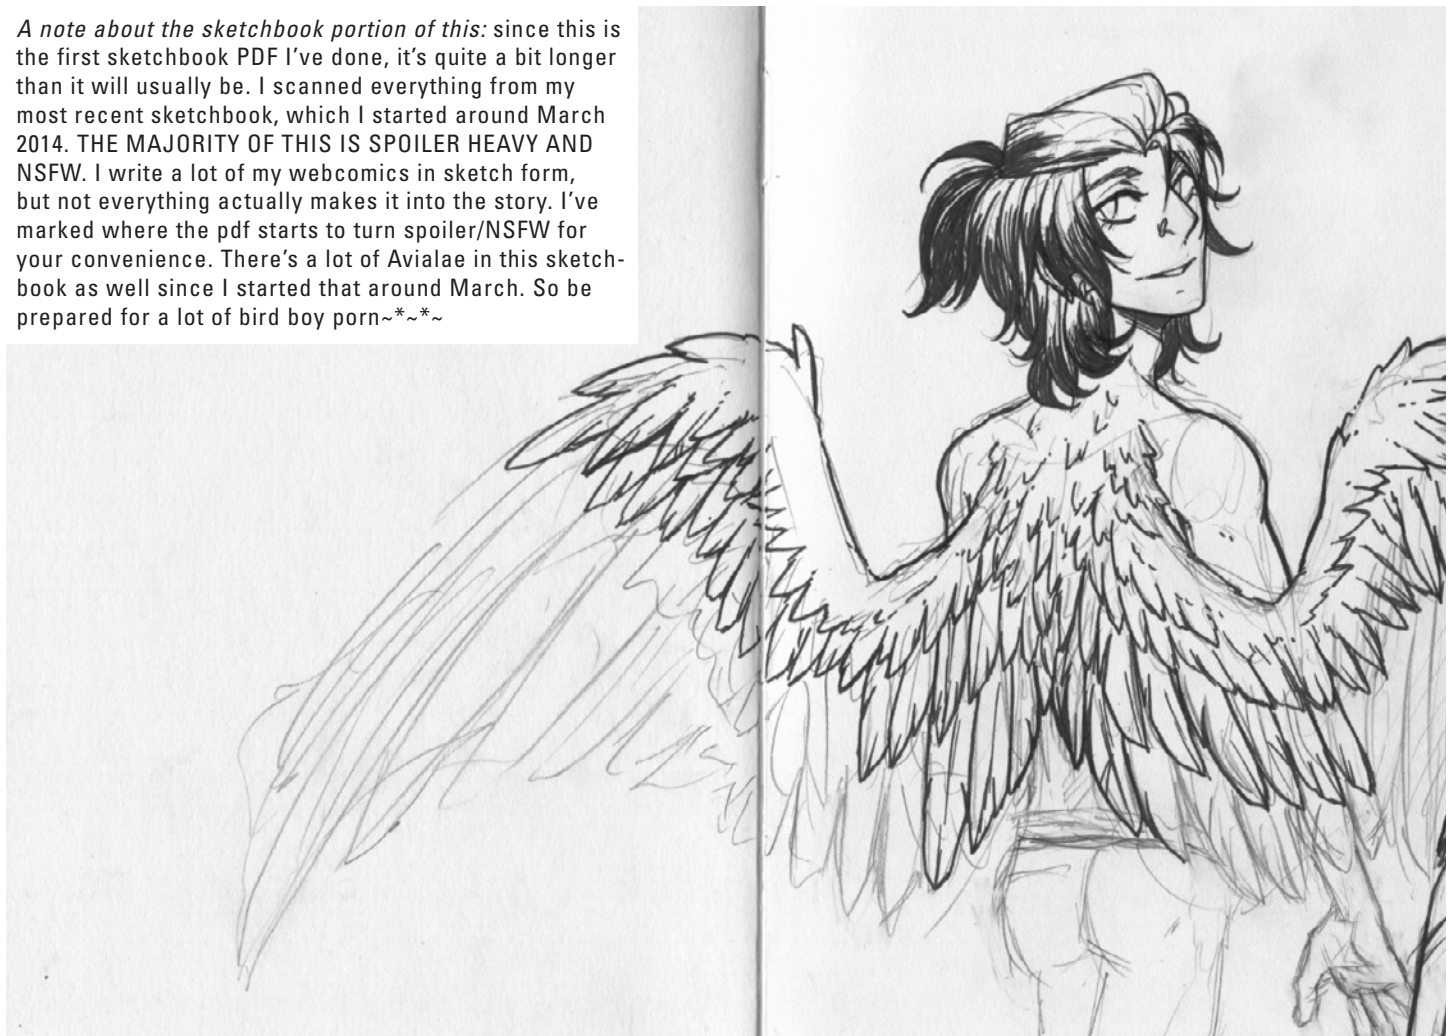

Initial plans for a Kuroko no Basuke print~which I'll do...someday??

A note about the sketchbook portion of this: since this is the first sketchbook PDF I've done, it's quite a bit longer than it will usually be. I scanned everything from my most recent sketchbook, which I started around March 2014. THE MAJORITY OF THIS IS SPOILER HEAVY AND NSFW. I write a lot of my webcomics in sketch form, but not everything actually makes it into the story. I've marked where the pdf starts to turn spoiler/NSFW for your convenience. There's a lot of Avialae in this sketchbook as well since I started that around March. So be prepared for a lot of bird boy porn~*~*

G: You don't have to wait for me.

B: I don't mind. Trade & wrestle get out around the same time.

G: I don't care if you don't mind! My mom asked you to wake me up in the morning. That's it. I don't need a goddamn cauffer. It's fucking annoying.

B: Okay, jesus. I just thought you wouldn't want to walk the two miles home.

G: I'm fine. And - you know what - don't even bother waking me up tomorrow. I'm skipping.

- Gmund walks away, Bailey catches up to her.

B: What is your deal?! I'm trying to help you - the least you could do is not be an asshole!

G: My deal is that this hellhole is driving me insane!

hey - what if it
starts bleeding
in my sleep?

that's it...
just keep breathing, ok?

You're not gonna

Do you think he likes me?

Who?

Bailey.

Chill out?

Of course he likes you.

Really?

dude, he's been making gaga eyes at you since you moved here.

What?!

why didn't you tell me?!

At least you know.

besides

don't you like him?

I don't hate him...

It's his passive aggressive homophobic parents I hate.

The actual guy...

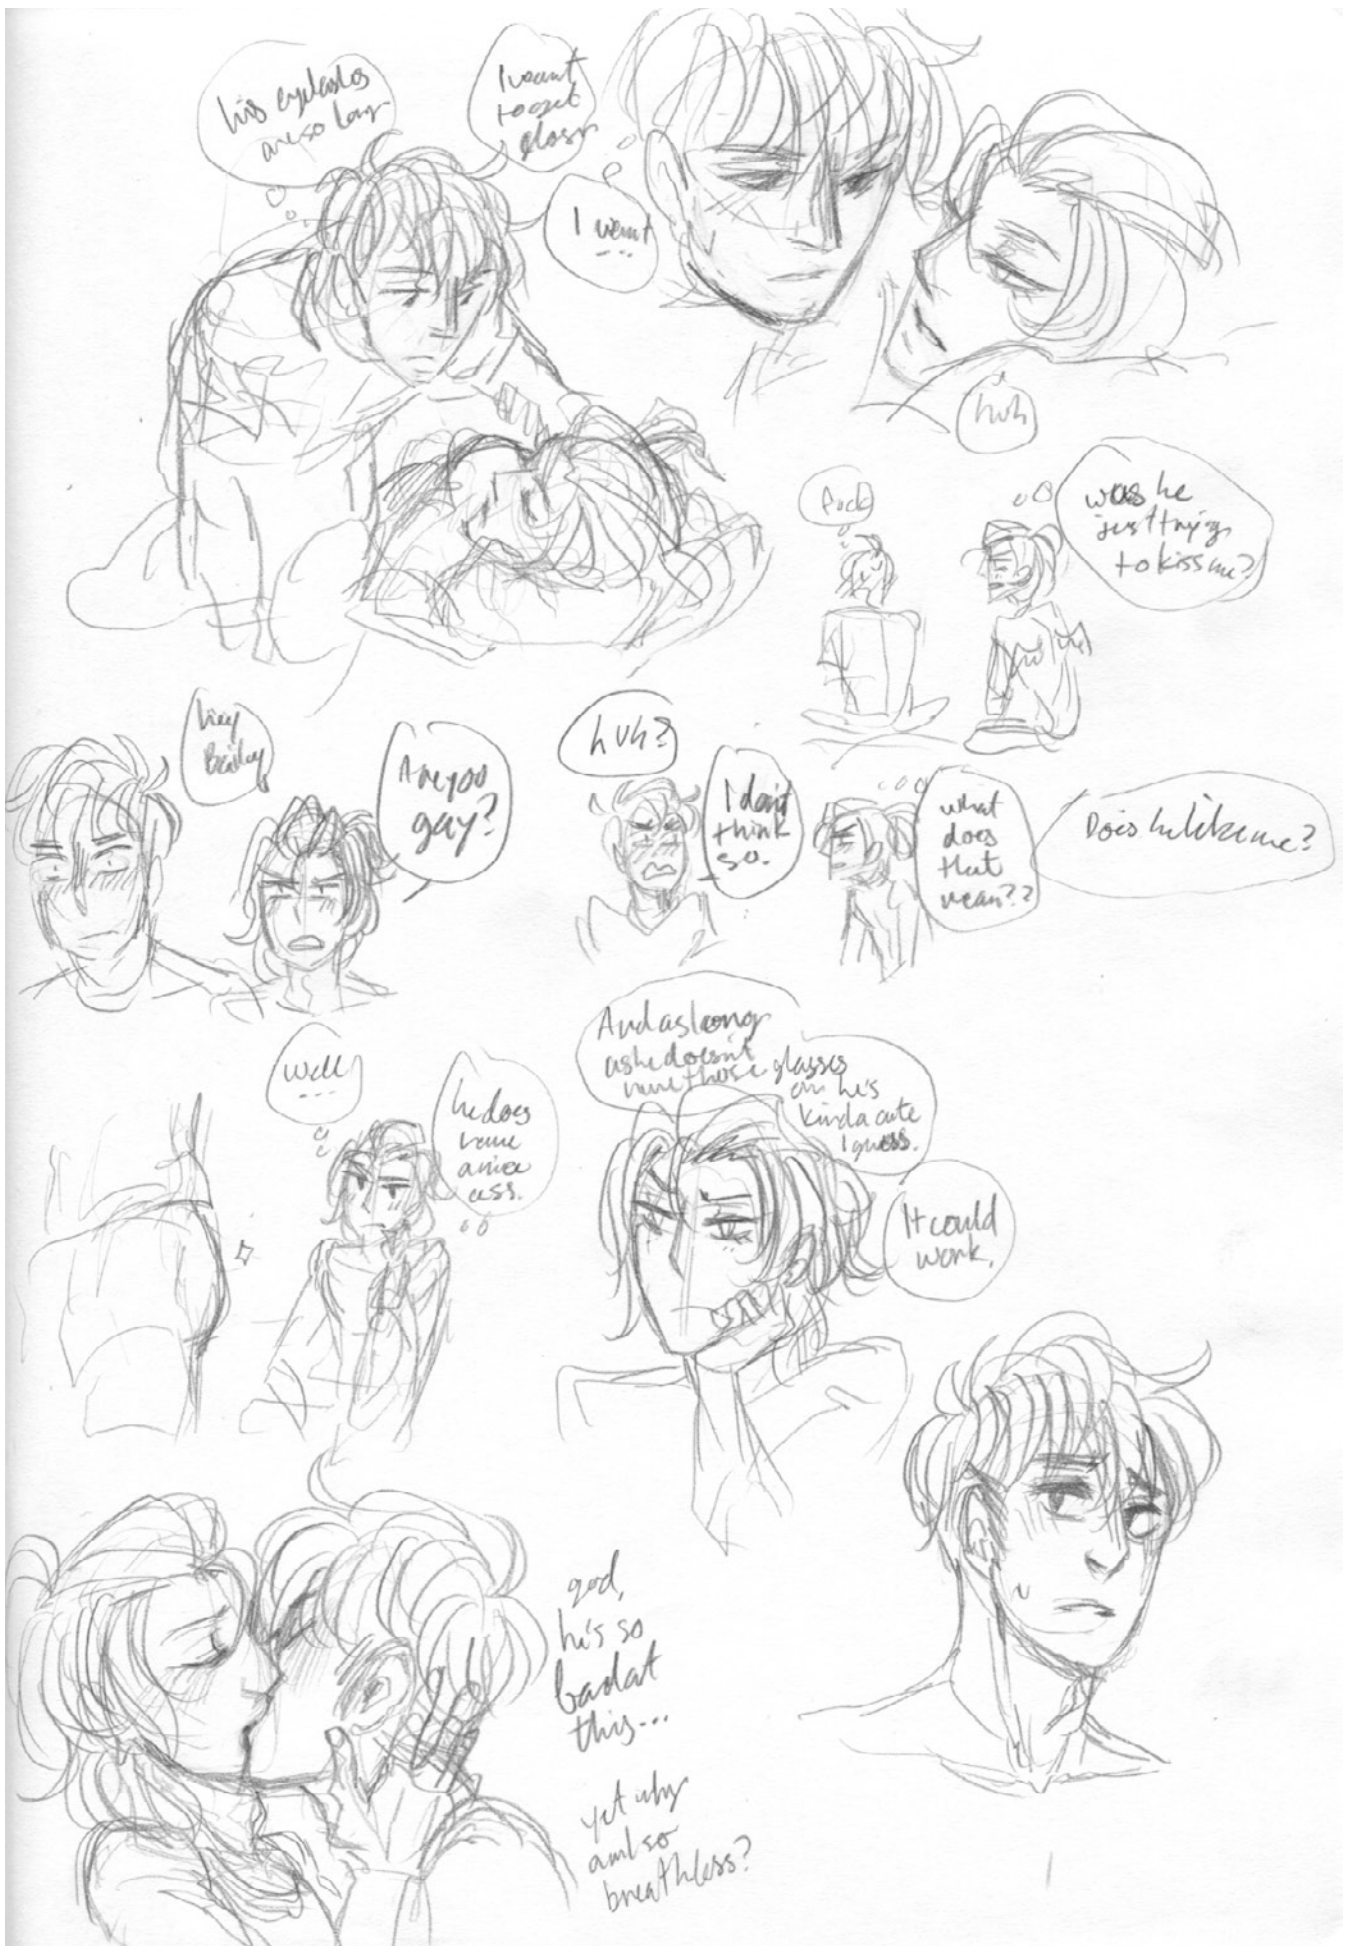

isn't that bad.

oh my god you like him!

Addie: But janno - I've known Bailey since we were in third grade. He's not the fastest to pick up on things. It could be that he doesn't even realize he likes you.

1-1-1 told you
I like beautiful things,
right?!

I liked you
before but now
you've become
so beautiful
I can't look
