January 2015 | NSFW

Thank you so much for being a Patron!

Here are previews for my next sparkly bookmark batch! I should have these in my store in February. I might wait on making the Yowapeda print a bookmark until I have the other teams drawn. The print will go up soon though.

I am also getting sparkly memo pads printed!!'m really excited for these! The front cover will be coated with prism sparkles and the interior will be peel away memo pages you can write on. These should be in my store in February also.

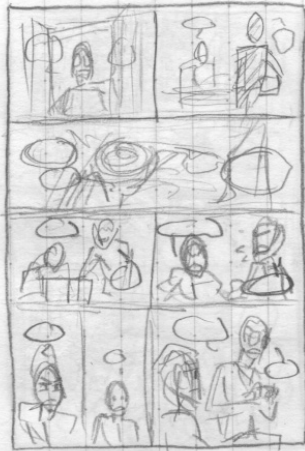

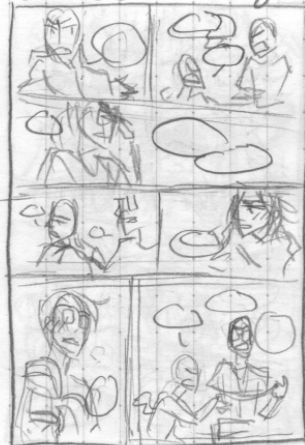

These next three pages are thumbnails for Avialae pages 40-48! I'm trying to get further ahead in thumbnailing this comic since I hope to have the first chapter done by May.

Avialae: Ch 1: Pg 40

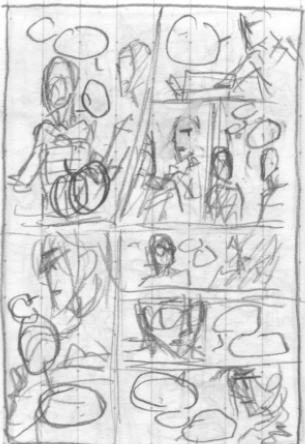

- 1: I'm back! It took me awhile to find-
- 2: Did you bring another pizza?
(Finished it)
- 3: Bait? ... / Yeah? / Why do you have stuff for chest bindin'?
- 4: My brother is trans!
I used to help him bind his chest.
- 5: Wait - Marcos is trans?!
- 6: No! My older brother!
- 7: I thought you only had an older sister?
- 8: Yeah, my mom refuses to acknowledge Jamie as a boy so she tells everyone his still a girl. It's infuriating, actually.

Avialae: Ch 1: Pg 41

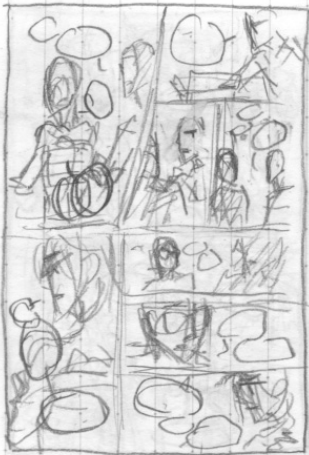

- 1: So you're not all conservative fuckheads?
- 2: No! You thought I was? Well it's kinda hard to ignore the signs in your yard!
- 3: Well I'm not! And will you stop kicking those over? I'm the one who has to fix them even if I ~~hate~~ don't agree with them.
- 4: Okay. / Huh?
- 5: I won't touch the signs ~~again~~.
- 6: So how is this gonna work?
- 7: I'm not wearing this. You're not gonna! I'm going to use compression tape to keep your strings against your body.

Avialae: Ch 1: Pg 43

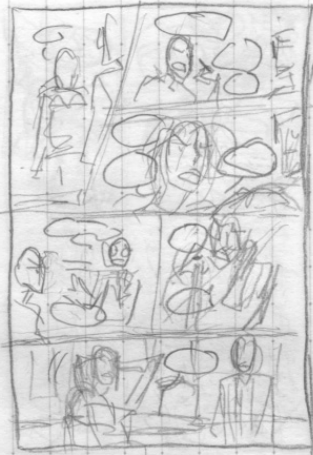

- 1: True. Is it too tight? I don't think so... but it feels weird. (like my arms are tied behind my back)
- 2: Yeah you probably ~~can~~ get used to it before going to school like that.
- 3: Huh. / Yeah? / How can you be so calm about all of this?
- 4: Like I've probably had at least 5 panic attacks since I woke up. Does it + freak you out?
- 5: Well... yeah it freaks me out.
- 6: I mean just seeing all the blood yesterday - that was terrifying.
- 7: But as for as you having wings, I mean, you're still human, right?

Avialae: Ch1: Pg 43

- 1: Thine. Is it too tight?
I don't think so... but it feels weird. (like my arms are tied behind my back)

- 6: Well... yeah it freaks me out.
- 7: I mean just seeing all the blood yesterday - that was terrifying.
- 8: But as for as you having wings, I mean, you're still human, right?

Avialae: Ch1: Pg 44

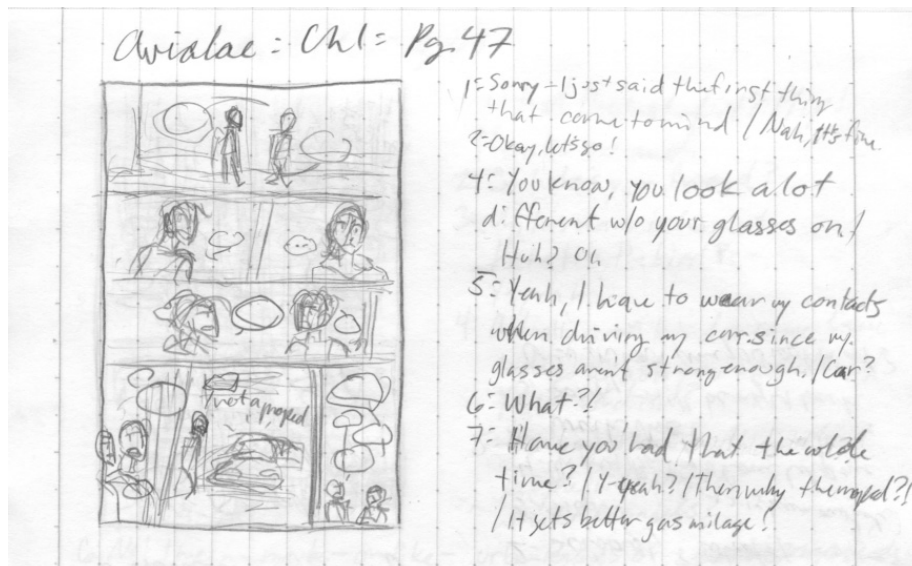

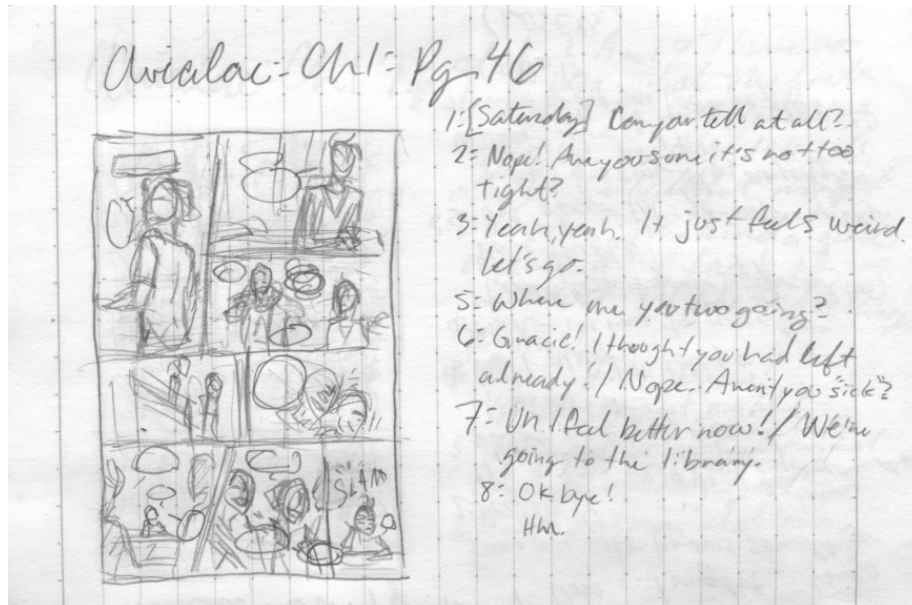

- 1: Am I? ^{2: I have no idea what the fuck this is - the internet is totally useless. It's all other than + bullshit magic!}
- 3: Like am I some kind of genetic experiment? A freak of nature?! I'd like to fucking know!
- 4: I-I-I don't know! You're the expert, right?
- 5: I-it's just a hobby! I'm not like a real ornithologist!
- 6: I just don't know what to do.

Avialae: Ch1: Pg 45

- 1: Um... I might... know someone who knows something.
- 2: Really?!
- It's a long shot, but if ^{I know} anyone who knows ^{anything} ~~something~~ about this, it'd be here.
- 3: Well alright, let's go.
- 4: Wait - we have to go into Lexington & you're supposed to have the flu!
- 5: Ugh okay - let's go Saturday. My mom's working then anyways.
- 6: Okay! Saturday it is!
- 7: ... why do you look so pissed?
- 8: Deal?
- (LOSERS.)

They goin' on a date. B^) This chapter is probably going to be around 70-80 pages. So just...another 30 or so to go...*~*;;

A note about the sketchbook portion of this: There are a few NSFW/spoiler things in the back of this, which I have again marked where they start.
