February 2015 | NSFW

Thank you so much for being a Patron!

New sparkle memo pads and bookmarks came in! These are available on my store or at conventions I'll be at this year.

makoharu mer print
* klp forest *

This was my initial process for the mer makoharu painting I did recently. It's been awhile since I've done a watercolor painting so it felt good to get into it again. (It takes so long though haaha;;;)

I'm getting a sparkle poster run of this printed too. *w*

These next two pages are thumbnails for Avialae pages 49-52! (Previous thumbnails are in the January sketchbook pdf)

Avialae = Ch 1 - Pg 48

1: Okay, we're here.
 2: Seriously? What?
 3: Stop it. ^{It's been awhile!}
 4: Uh, hey Bailey's Com help me with this.
 5: Sorry - I'll be right back.
 6: ... What are you looking at?

Avialae = Ch 1 - Pg 49

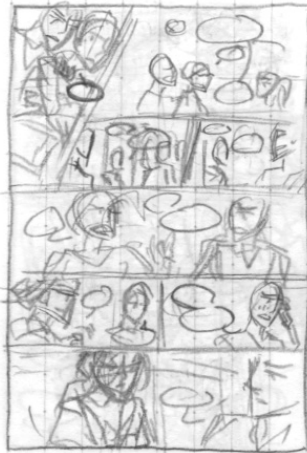

1: Is that the last of it? / Yep!
 Thanks so much.
 2: So who's your friend?
 3: Uh, his name is Carmet.
 Haha like The bird?
 Y-yeah...
 4: Actually... we kinda came here today to ask you something.
 Yeah? What is it?
 5: Do you know anything about people with wings?
 What like angels?
 C: No! I mean - maybe - or like - urban legends or - genetic experiments...
 7: I don't understand what you're asking. Do you want to go Big foot hunting with us? / N-no thanks.

Avialae = Ch 1 - Pg 50

1: Or like genetic experiments with winged people? / I think that's a book.
 2: Bailey! What's taking so long? That parent won't stop staring at me.
 3: Oh, Carmet - this is Sylvia she owns the store.
 Hi / Hello.
 4: I don't know how to ask her about your wings w/o slowing her down.
 5: Alright, I'll show her.
 6: Why are you taking off your clothes?
 7: Uh, well...

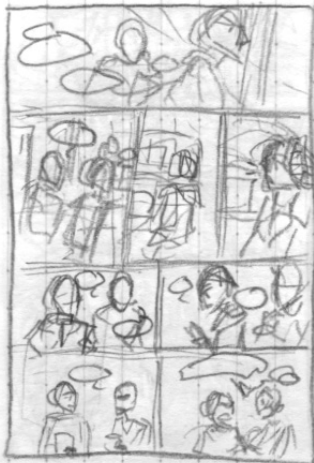

Avialae: Pg 51

- 1: Hold on.
- 2: Uh, the tattoo artist said to leave on the saran wrap for a few hours. Huh? So you can't show her your wing tattoo yet.
- 3: Styyl! The register is stuck again.
- 4: Sorry, boys. You should keep that tattoo good & moisturized though!
- 5: What the hell?! Sorry! I just don't think you should be storing my straps on your wings.
- 6: You don't trust her?! It's not that.

- 7: She clearly didn't know any thing and just thought it was a bad idea...
- 8: I'm not really sure why.

Avialae: Ch1: Pg 52

- 1: Whatever. This was such a waste of time. Let's go! Yeah...
- 2: Oh, I'm gonna say goodbye really quick. Fine.
- 5: Oh! Here that book. You can borrow it if you want.
- 6: Oh, no - my uncle wrote this. Ah...
- 7: Wait...
- 8: YOUR UNCLE IS EVERETT PIERSON? Yeah?

SO I have the entire first chapter of Avialae thumbnailed! It's gonna be 77 pages. I'm putting Impact Theory on full hiatus so I can focus fully on Avialae and get it printed before cons this summer. So, I'll be continuing to release advance thumbnails in these monthly sketchbooks and at some point soon I'll be posting advance finished pages on Patreon for all you \$5+ patrons. :)

A note about the sketchbook portion of this: There are a few NSFW/spoiler things in the back of this, which I have again marked where they start.

(The characters in here that you don't recognize from my comic are mostly from Haikyuu!! because I'm in gay volleyball hell.)
