LMAO I'M SORRY. (no i'm not :3c) That's the end of chapter 1. (minus the book exclusive extra) Chapter two will start in September! (Maybe August?? But probably Septmber.)

Look at this gay thing. This is the illustration I did for the Avialae Ch 1 preorders!
The postcard will have a gold foil stamp on it because I like them. B^)

<<I'm also using this illustration as my new banner for conventions. It's going to be six feet tall;;;

Look at these ^^ really straight people. I used them as reference for my really gay illustration. B^)

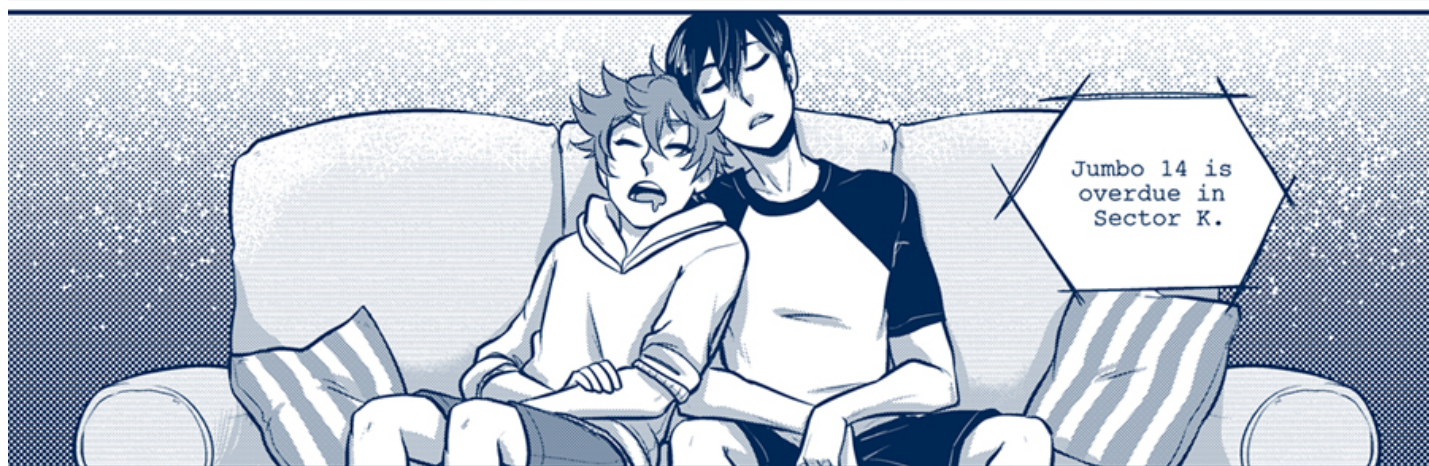

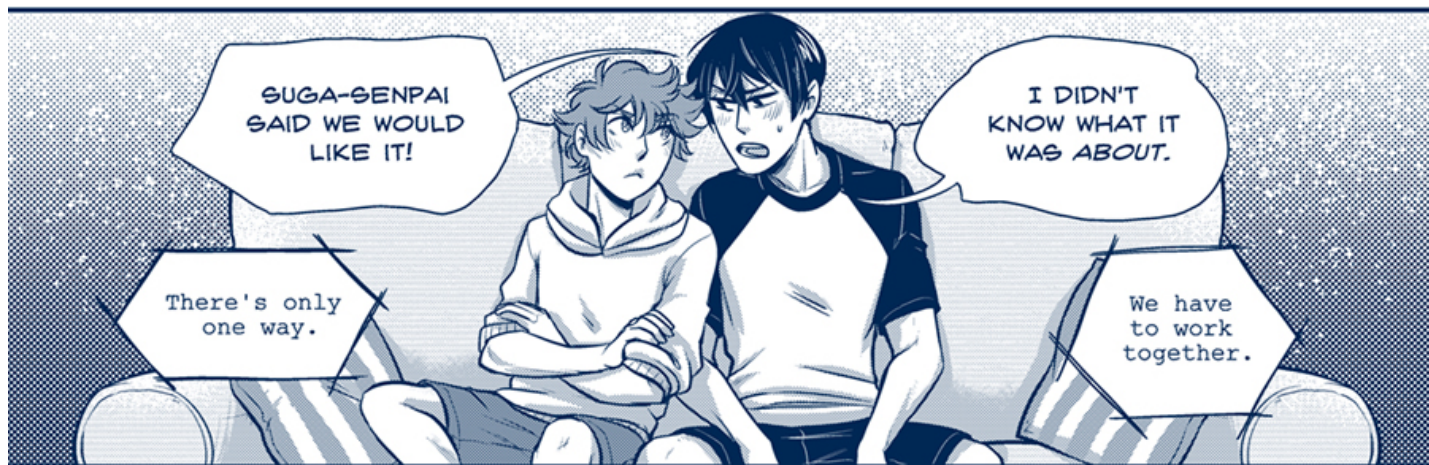

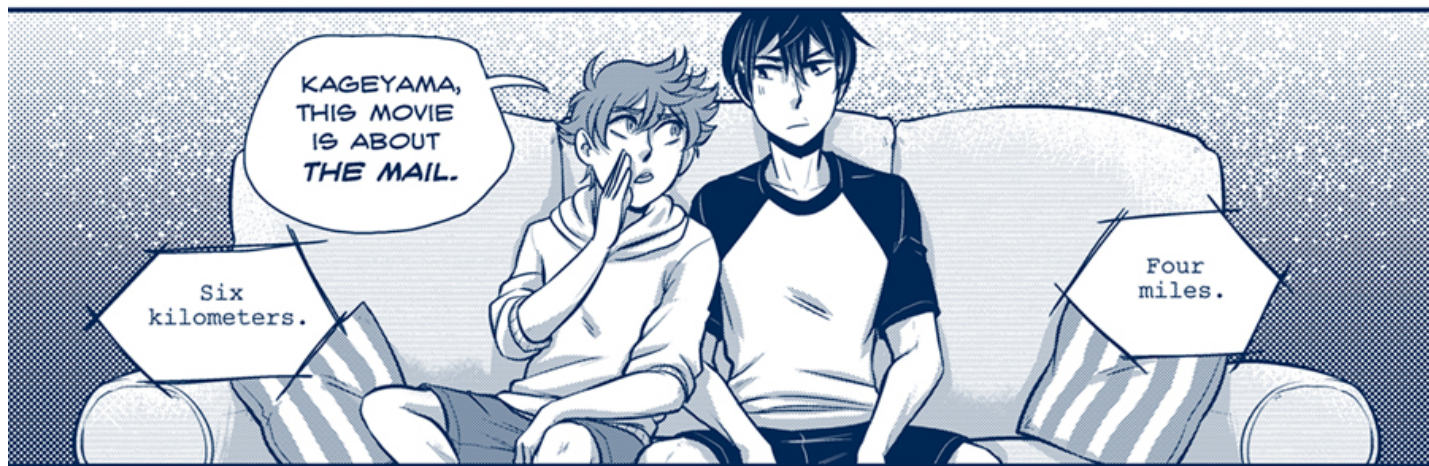

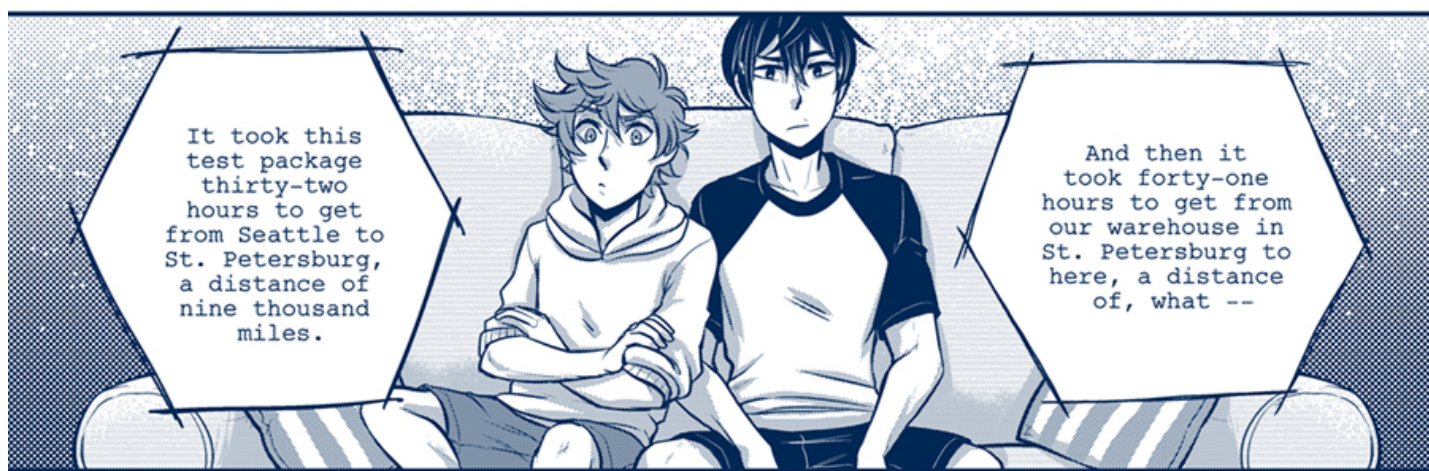

Kagehina doujinshi happened...me and Jack's (animetrashlord.tumblr.com) doujin circle is very powerful. We did this in a month. It's 40 pages long and it's super beautiful. I did the story/inks/tones, and he did the pencils/cover color.

Our circle is called Lucky Juice and you should be following us. luckyjuicepress.com

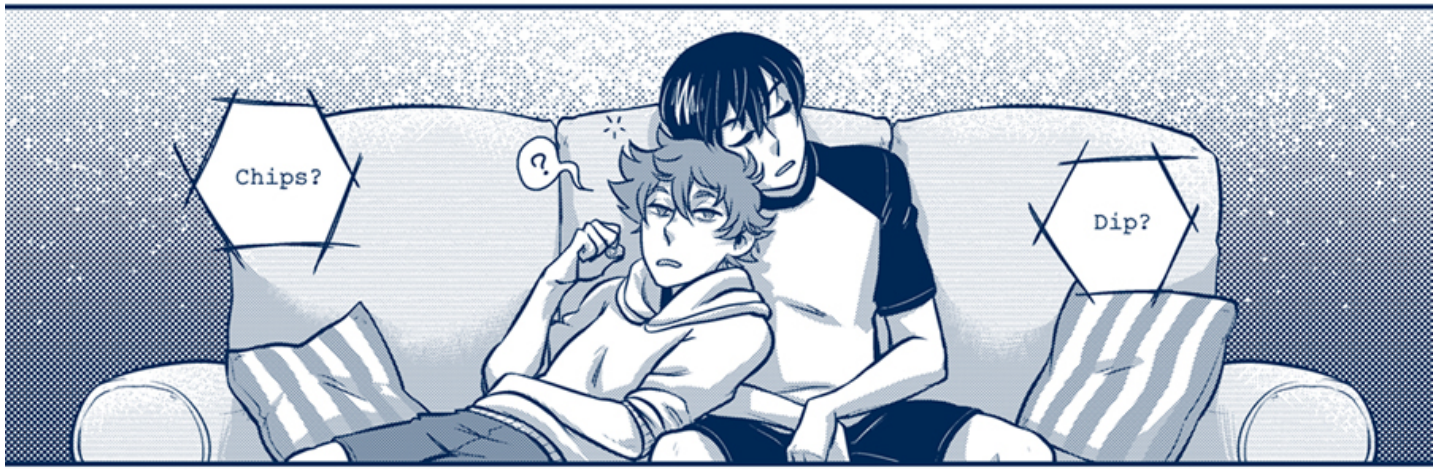

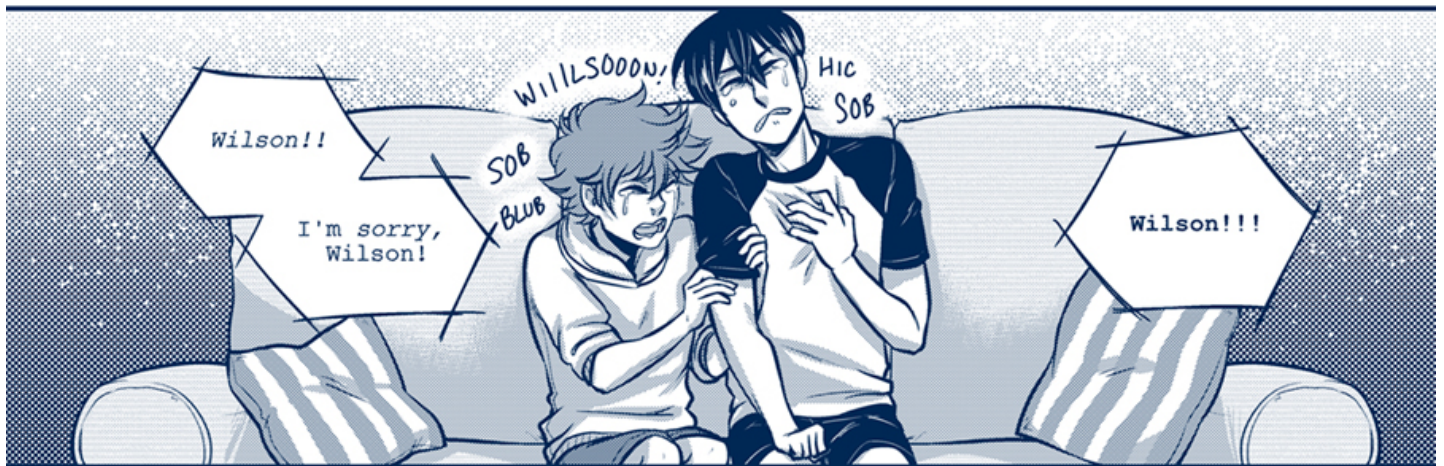

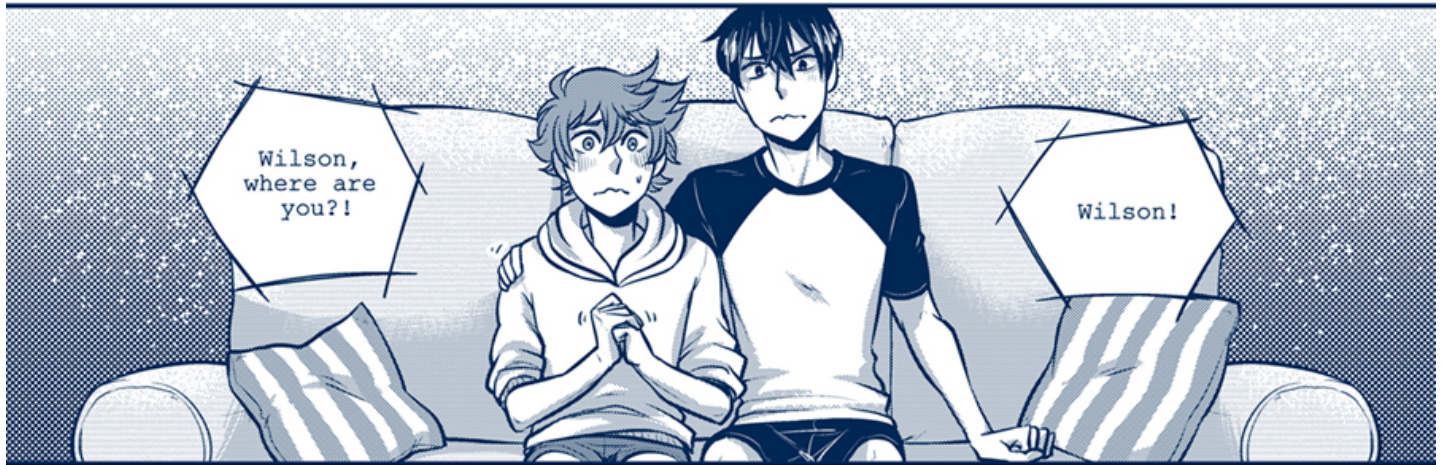

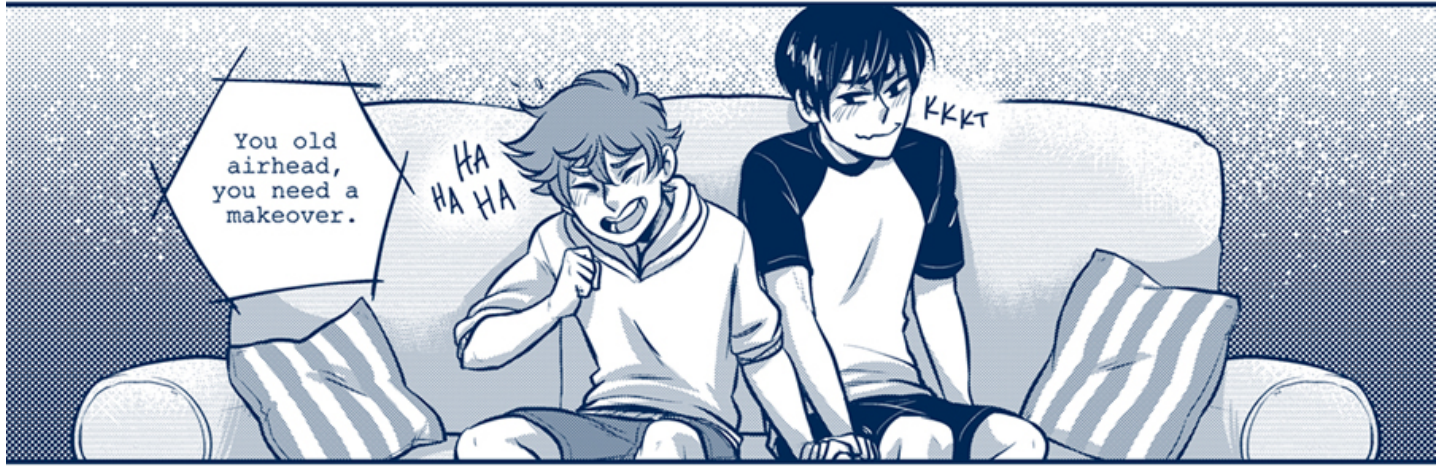

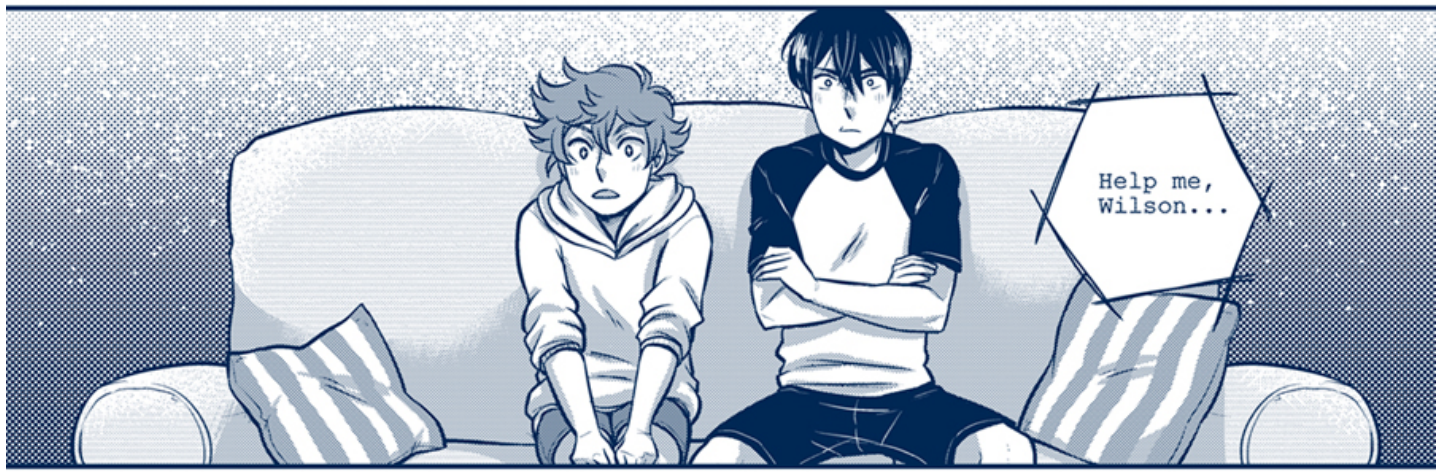

Unfortunately this won't be given to patrons as a pdf/book because I didn't do it all myself. However LOOK AT THIS TWO PAGE SPREAD WOWOWOWOW!!!!

This I can share because we released the extra on our tumblr. I've had this idea for so long, and I'm super glad we got to do this because it was as painful as I thought it would be. :')

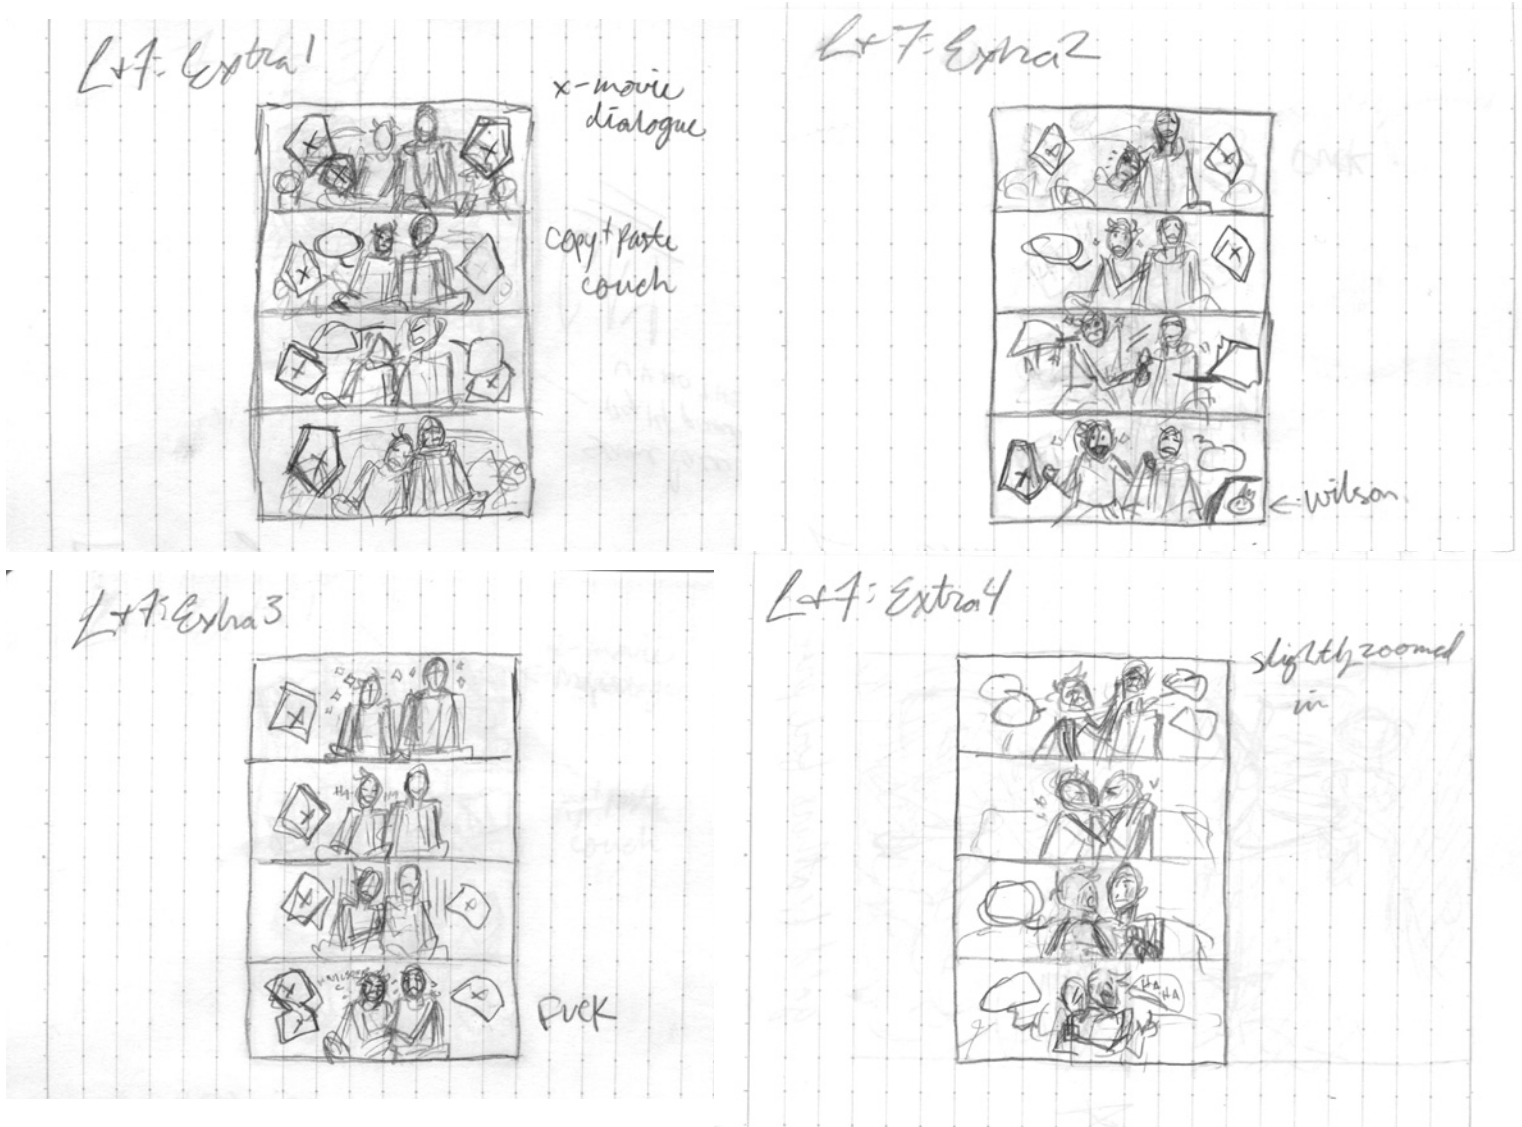

If you don't read/watch Haikyuu!! or haven't seen Cast Away...Haikyuu!! is about volleyball idiots in love and Cast Away is about a man and his volleyball. B^)

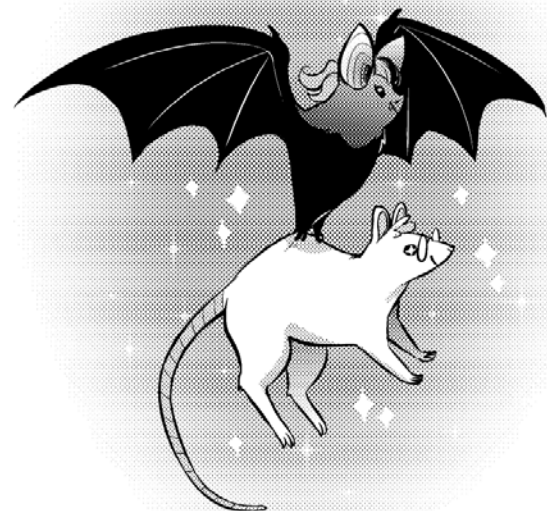

These are the thumbs I did for that extra. I passed these on to Jack along with a script that was mostly all caps and he did pencils from there.

It us.

A note about the sketchbook portion of this: There are actually sketches this month! Though still not very many since I did a 40 page doujinshi. ;w;

There is porn. It returns. I've marked where it starts!

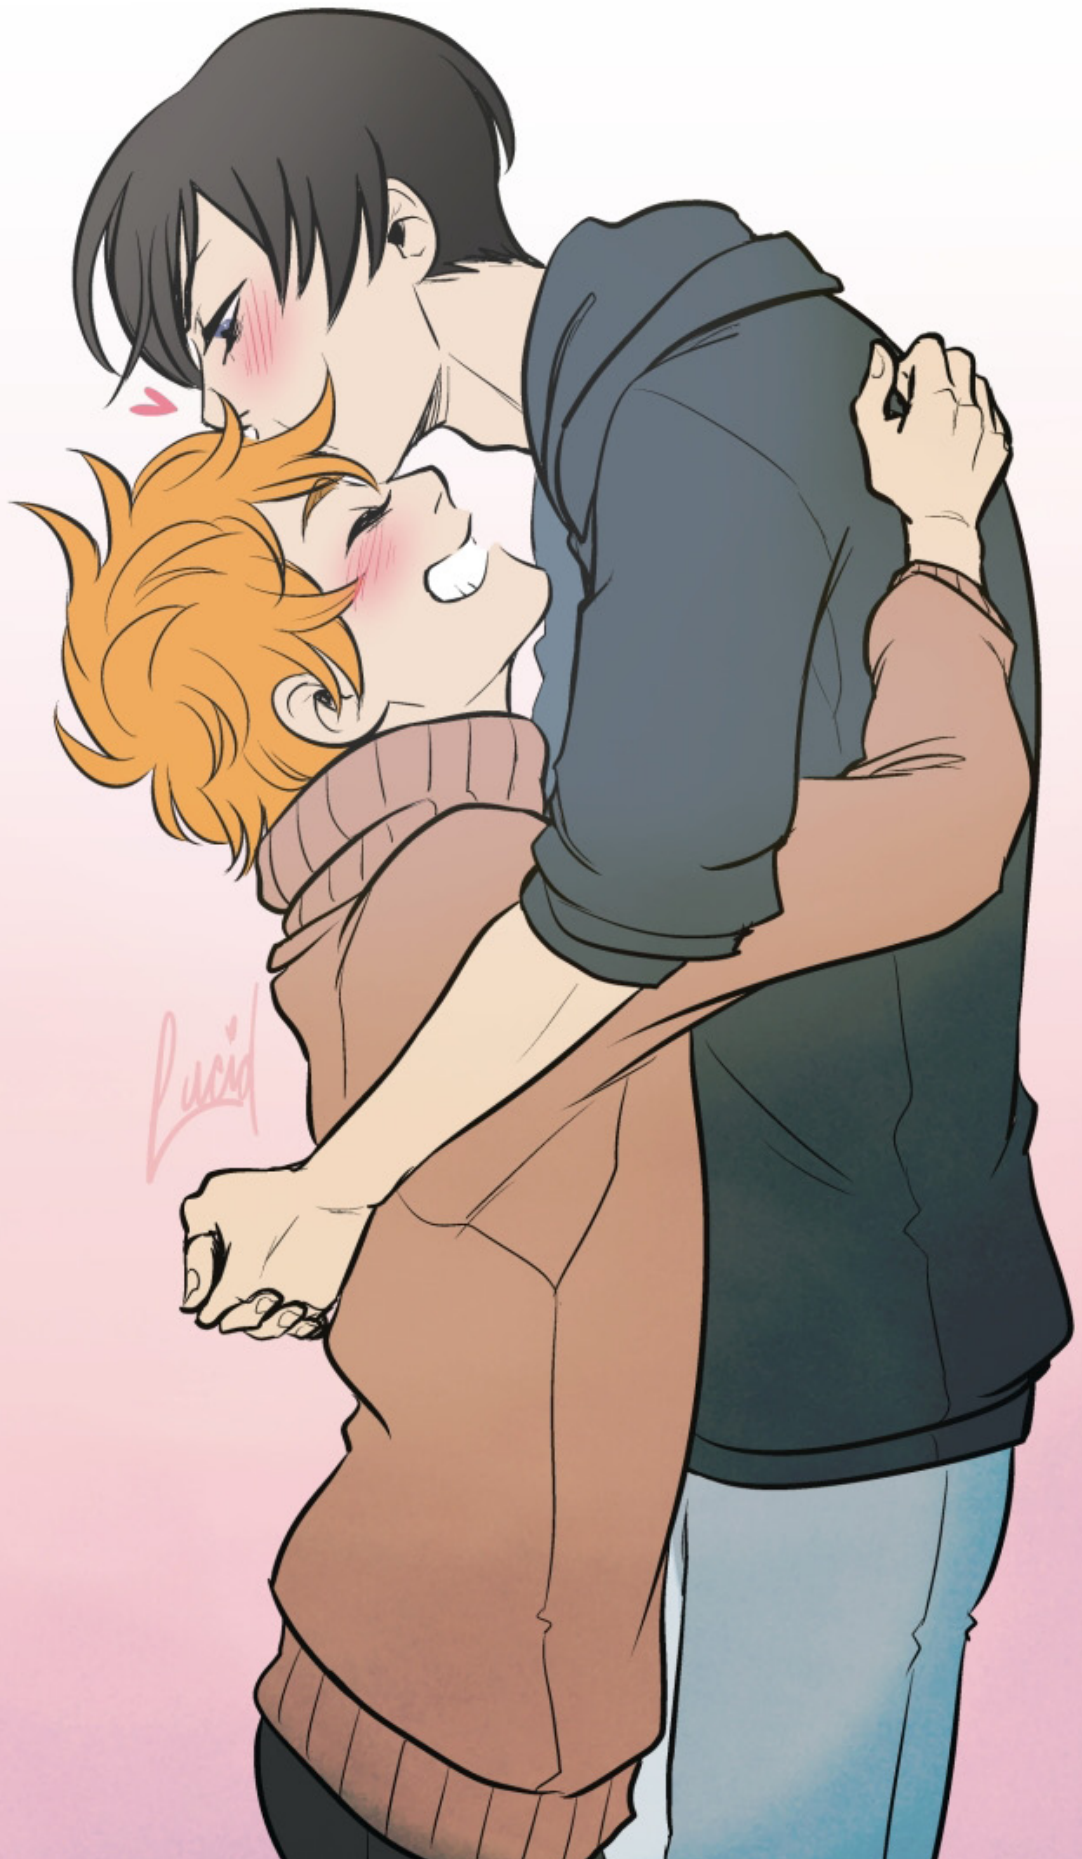

Me same, buddy.

These are characters from my comic for Purity Anthology (purityanthology.tumblr.com/). I've been drawing them recently to try to get used to them. They actually used to be visual kei vampire OCs I had one million years ago, but I've redesigned them, given them real jobs, and made one tall and a megane. B^)

Unfortunately I can't share the actual pages with you, but you can order the pdf/book on their storenvy! (purityanthology.storenvy.com/)

You'd think I'd be tired of kagehina after doing a 40 pg doujin of them... but no...the opposite...Jack and I are talking about a several book kagehina series in the future. TTWTT;;;

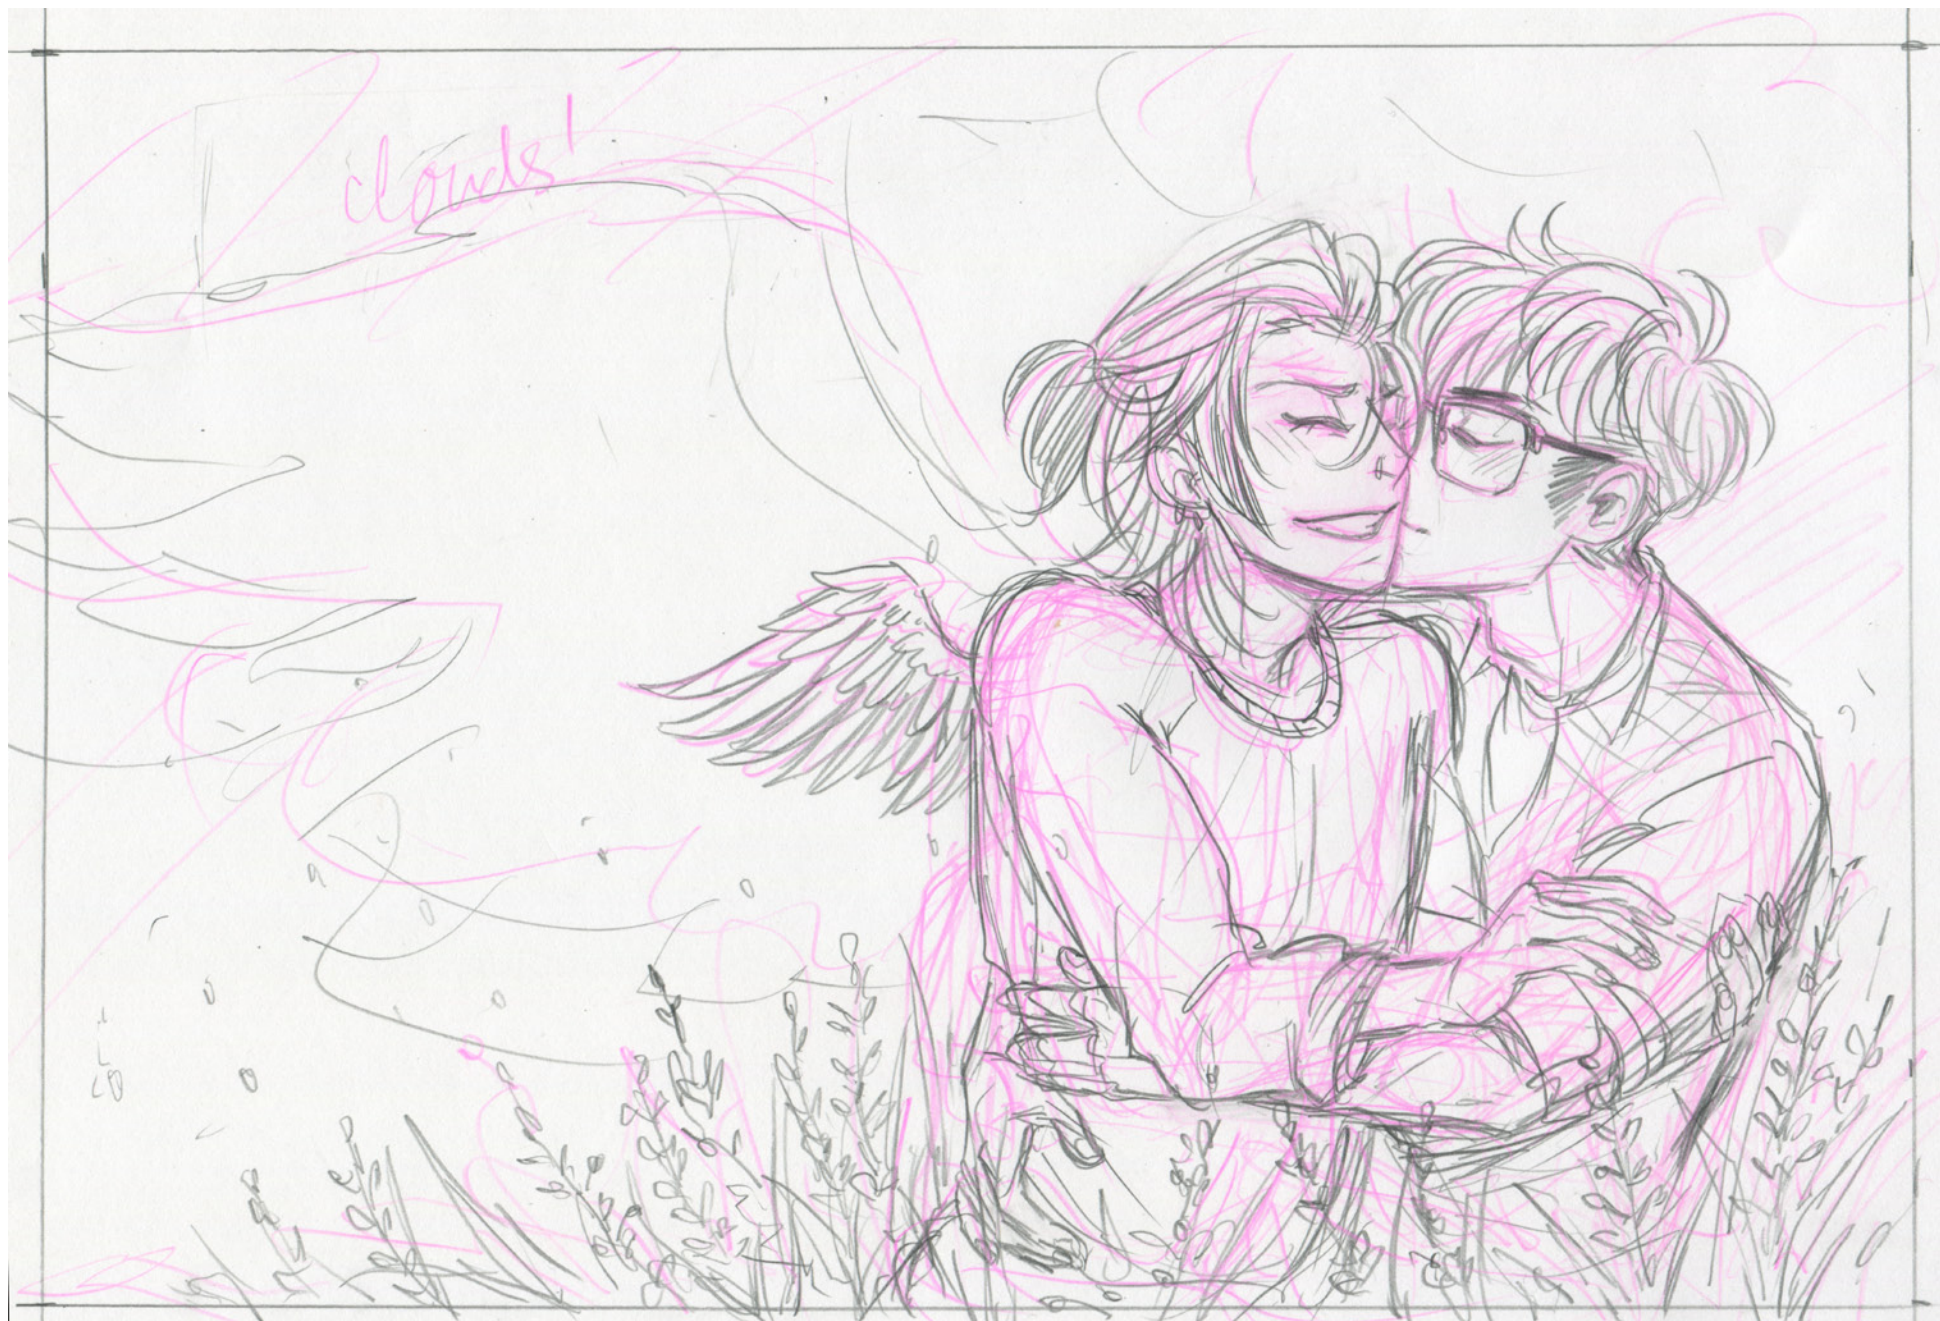

look I just needed a break from drawing flowers;;;

(whispers) kurotsuki doujin y/y??

Sketch for that very gay illustration I did.

~*~*~*DING DING DING SPOILER/NSFW ALERT BELOW*~*~*~

They don't fuck in my Purity comic, but oohhh I want them to.

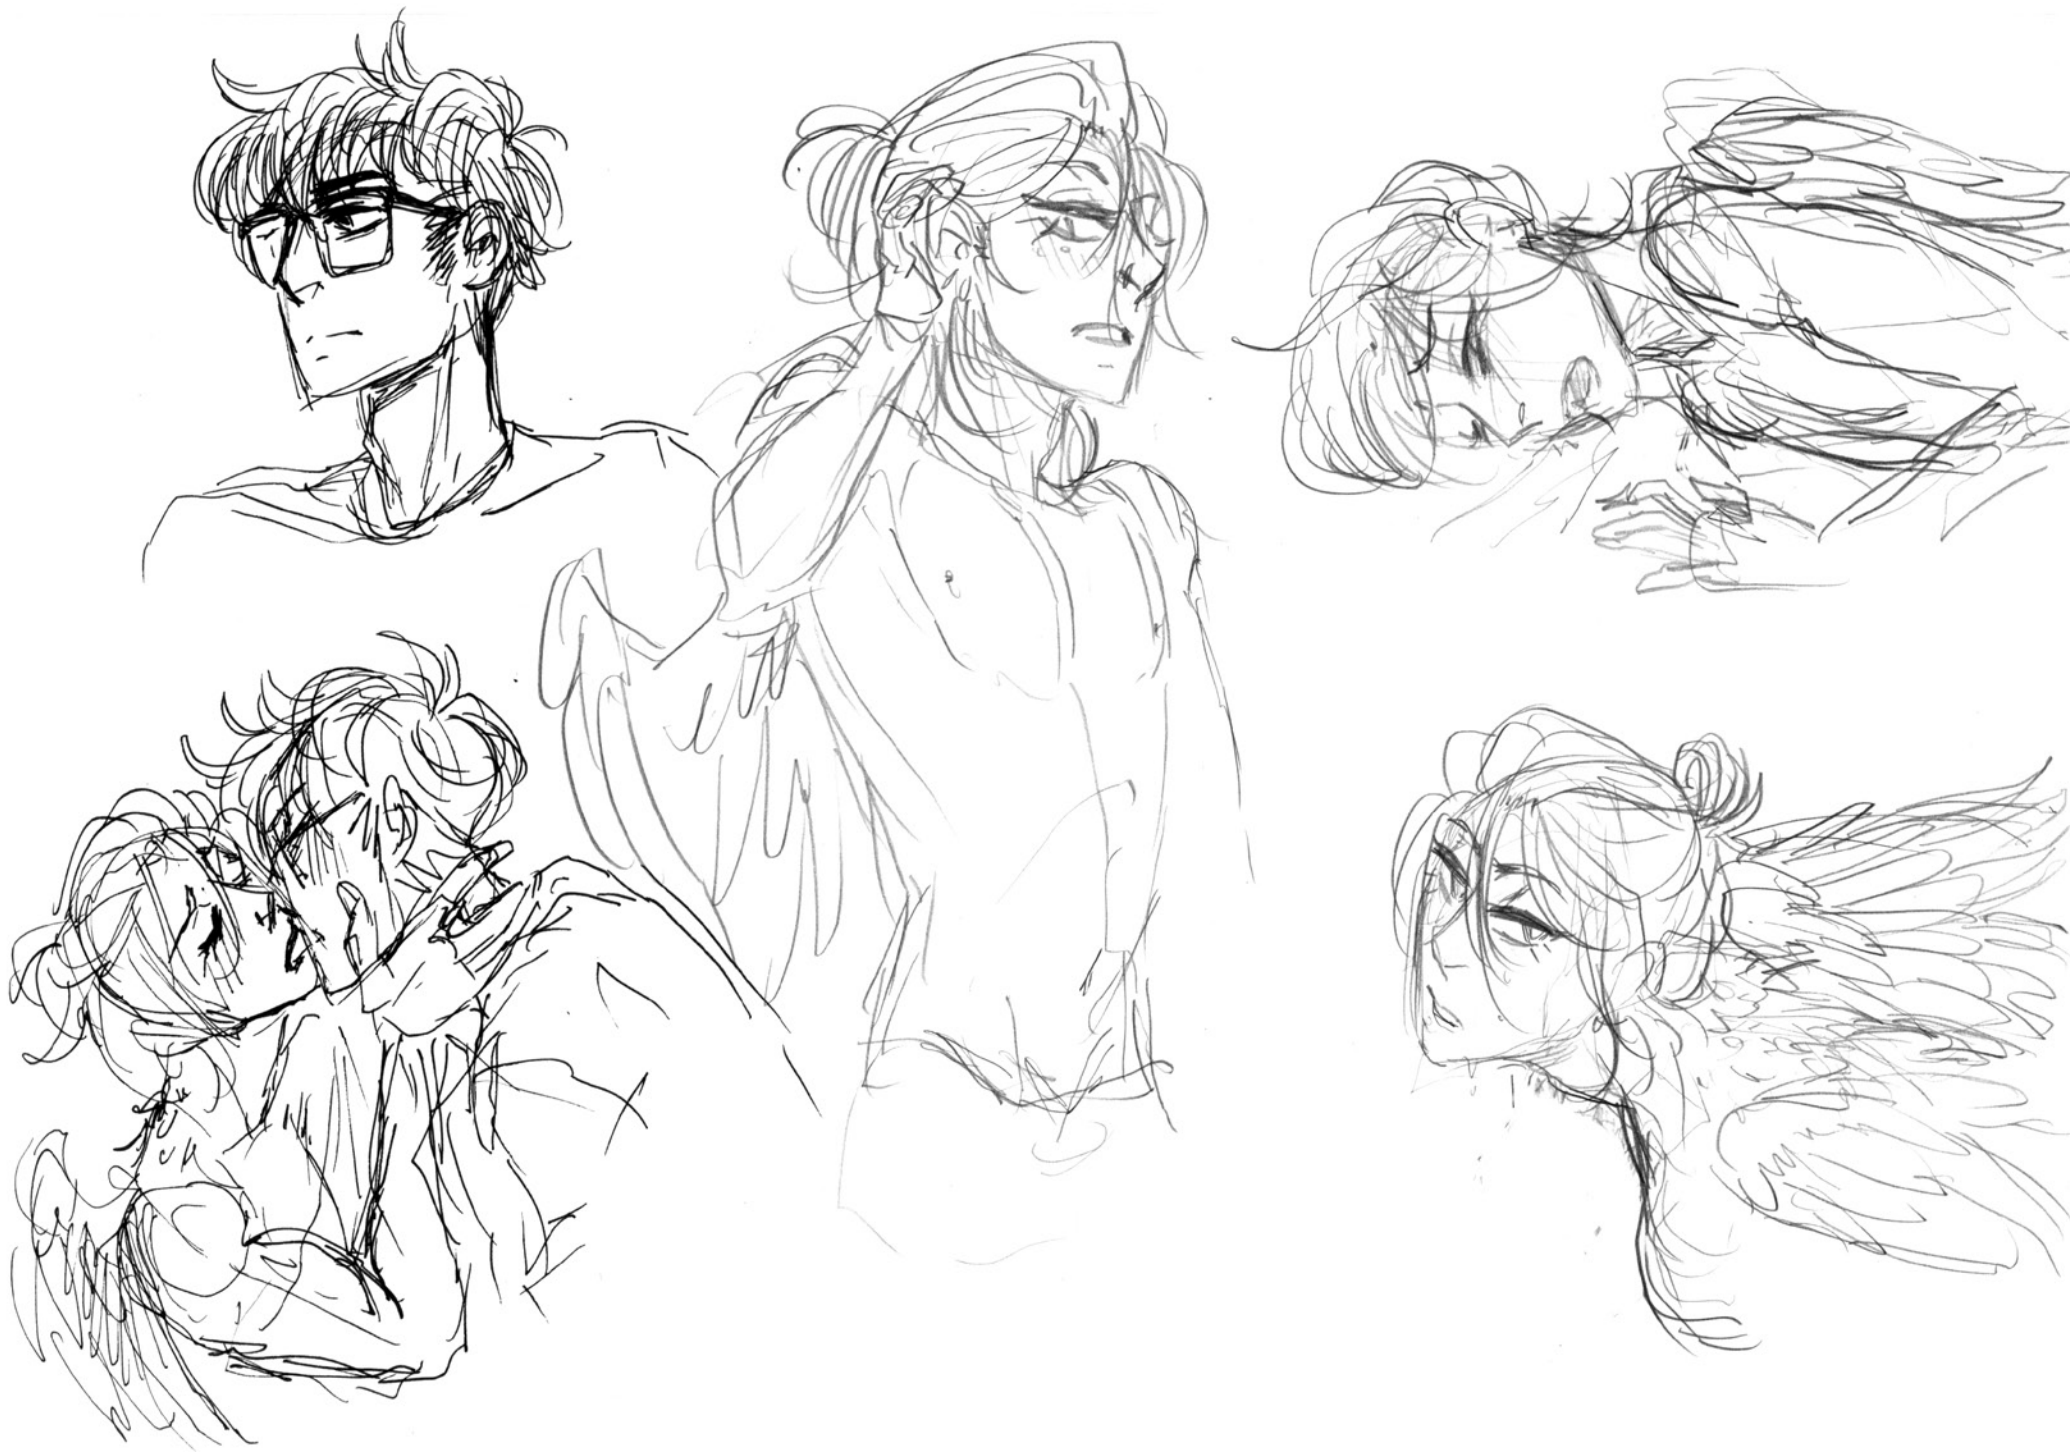

T-tall megane vampire bottom...SLAMS FIST ON DESK!!

I'd like to do short zines with them mostly just being domestic and filthy. Will I ever have time to do it?? Hahaha...ha..a.....

Kurotsuki is spicy ♪
