:3c I'm really excited for the second chapter. It's going to be...very long...but I promise the payoff is going to be worth it. And this chapter is 18+ heh.

Possible title page for chapter 2!

This is the first page for the nagirei doujinshi Jack and I are doing for Lucky Juice! It's small and cute but still very gay and sparkly. :)

A note about the sketchbook portion of this: I've marked where the porn and spoilers start as usual!

Lucky Juice's next next doujinshi is (another shh) nagirei doujin. It's a spooky AU where Rei is a vampire and Nagisa is a witch. It's very gratuitous. We plan to debut it at YoumaCon, which is over Halloween!

I'll be doing a solo doujinshi through Lucky Juice in late fall. It's gonna be a kurotsukki doujin where they go to the same college. :>
