We made another kagehina doujinshi for Lucky Juice! We commissioned Anne Camlin (@bigspoonnoya) to write the script for us. It's real cute and there's smoochin. Jack did the pencils on this one and I did the tones and inks!

<<This is the keychain we are getting made as an extra for this book.

Part of the sketchbook portion is NSFW, and I've marked where that starts!
(Also I got really into One Punch Man for the sexy ninja :3c)
