Thank you so much for being a Patron!

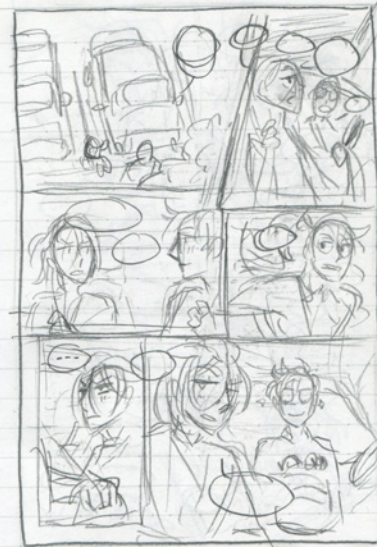

The next 3 pages are thumbnails for pages 33-43 of Avialae chapter 2!
 Previous thumbnails are in earlier pdfs.
 (I started doing larger/more detailed thumbs lately so I can pencil right over them.)

Avialae: Ch 2: Pg 33

- 1: So it's not that I'm not taking you seriously, I just can't date you or whatever. Sorry.
- 3: Can we still be friends, then?
- 4: Sure, I'd hope so. Who else is going to lend my wings?
- 6: And you know, if we made out sometimes that'd be cool. So we're... friends... who sometimes make out? / Yes.
- 7: How is that different from dating? It's different!!

Avialae: Ch 2: Pg 34

- 1: Are you doing anything on the 2nd?
- 2: No... wait. That's my bday. / I know.
- 3: My mom will probably make a cake or something. I don't have any plans though.
- 4: Keep it open.
- 5: ...fine.
- 6: It's not like I can go out with my wings anyways.

Avialae: Ch 2: Pg 35

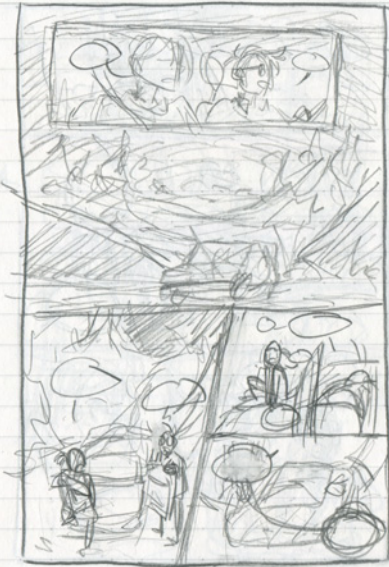

- 4: She'll come around.
- 5: Not anyone's gonna think growing wings is as cool as you think it is.
- 6: Huh? Why not? / There's something wrong with you.

Avialae: Ch 2: Pg 36

- 1: [what's taking him so long?]
- 5: [he knows.]
- 5: That's Everett, my hate brother. / O-oh I know. I recognized him from my books.
- 4: Oh right, you're also... into birds.
- 5: I told you to just text me - bye, mom! / Bye.
- 6: They think we're dating. This isn't going to help. / And we're not? / No.

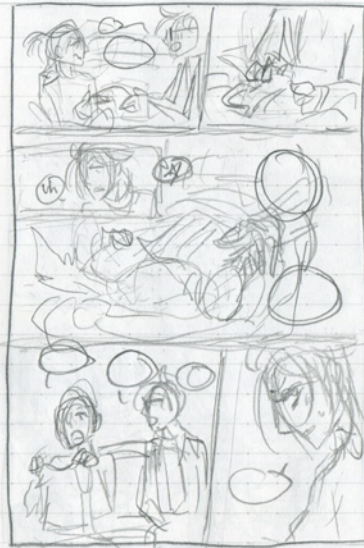

Avialae = Ch 2: Pg 37

*full bleed

- 1: Where are we going? / It's a surprise.
- 3: Why are we here? / It's a surprise!
- 4: Oh! I have your presents - / What? You didn't have to -
- 5: It's not much & I don't know if they'll fit...

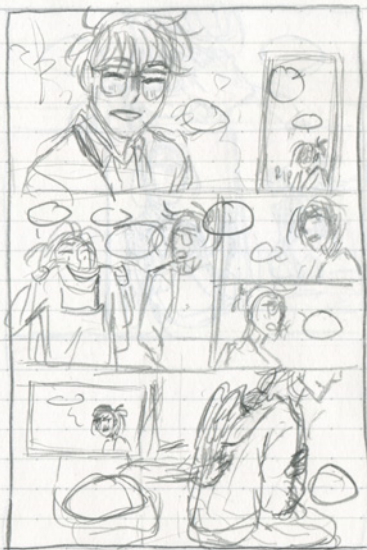

Avialae = Ch 2: Pg 38

*4: It's a binder.

- 1: Oh - oh, maybe you should just open them?
- 4: It might take some adjusting to get it to fit, but it'll be safer than the compression bandages.
- 5: You made this? / Yes, though I bought a regular binder and modified it from that. It's been awhile since I've had to sew anything.
- 6: Thank you...

Avialae = Ch 2: Pg 39

1: sweet

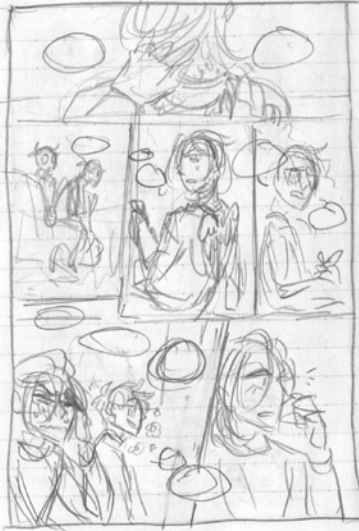

- 2: Open the other one. / Yeah okay.
- 3: What is it? / A sweater. I thought you might get cold when your wings aren't bound.
- 4: They aren't right now, are they? / No...
- 5: Do you want to try it on?
- 6: ... sure.
- 7: [This feels... kind of dangerous.]

Avialae = Ch 2: Pg 40

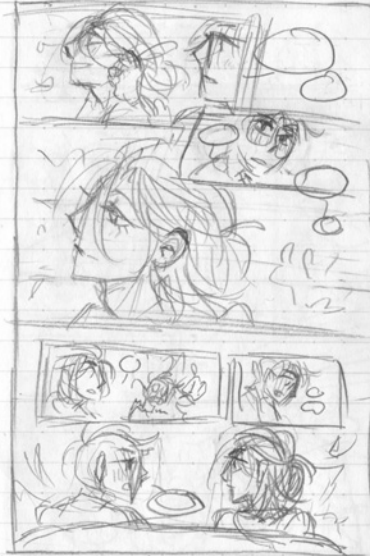

- 1: [This is clearly some kind of romantic gesture. Even though I told him we were just friends.]
- 2: It's kind of big...
- 3: Huh? Oh, yeah.
- 4: I didn't think to ask your size... so I just used a size of mine.
- 5: Fuck. This is totally awkward. I can't believe I got tricked into going on a date.
- 6: Oh - Gannet, look -

Arialau = Ch 2 = Pg 40

Arialau = Ch 2 = Pg 42

- 1: Most people think crows are nocturnal, but they're not.
- 2: They can't see any better in the dark than we can...
- 4: What?
- 5: Oh, uh... I-It's just -
- 6: You're really beautiful...

I'm very excited for this scene hehe~ :3c

Arialau = Ch 2 = Pg 43

- 3: S-so, uh, happy birthday, I guess. / Thanks...
- 4: Hey, when's your birthday? / Oh uh... it's -
- 5: also today..
- 6: We have the same birthday?! / Yep.
- 7: You should have told me. I could have gotten you something in return.

I made new Haikyuu!! sparkle prints!
I love...kagehina...wo..w...!!

Another sparkle print...I seriously can't believe I'm the first person to do a Haikyuu!! Wonderland AU...

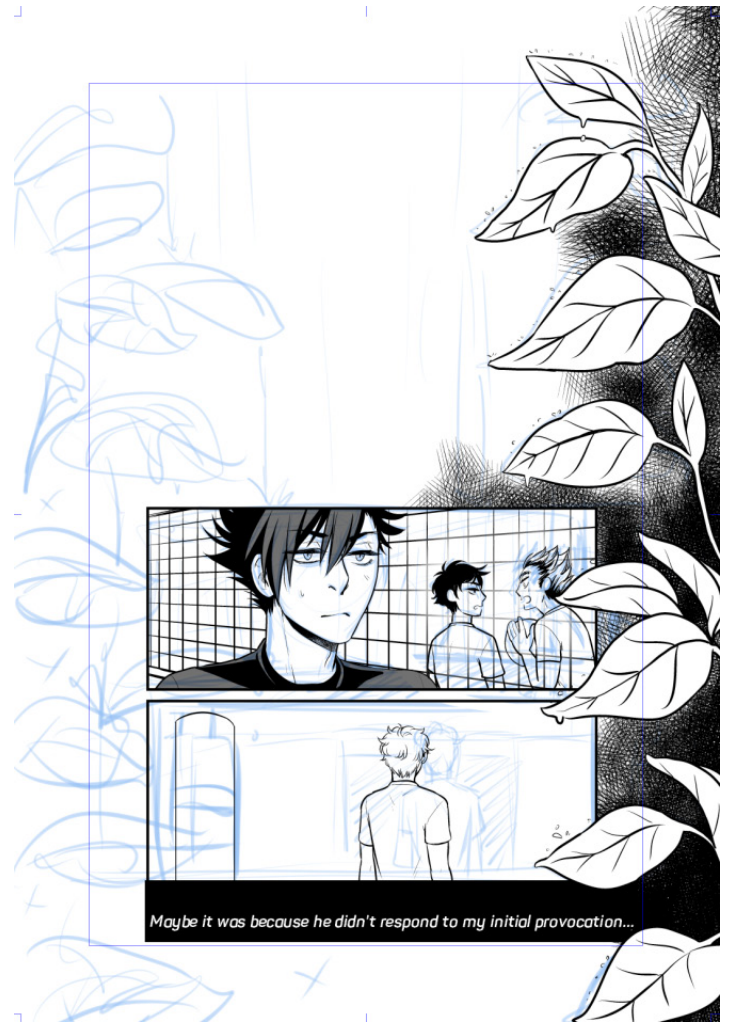

I'm getting some small acrylic standees printed!
The Rei one is super self-gratuitious;;;
The kurotsukki one will be offered with presales
for my krtsk doujinshi when it's done!

The next doujinshi I'm doing is KurooxTsukishima! It's still through Lucky Juice, but Jack and I are doing solo books for a change.

Since it's the first doujin I've done by myself in awhile, I'm trying something different with my process. Usually we work with pretty tight pencils, but this time I'm trying to do slightly more detailed thumbnails and inking directly off them. It's been working well so far! The hardest part has been drawing Kuroo's hair haha;;

Here are the first 7 pages. This one is well over 40 pages because I have no self control when it comes to this pairing. :')

Or maybe it was because he seemed so calm and collected for a first year.

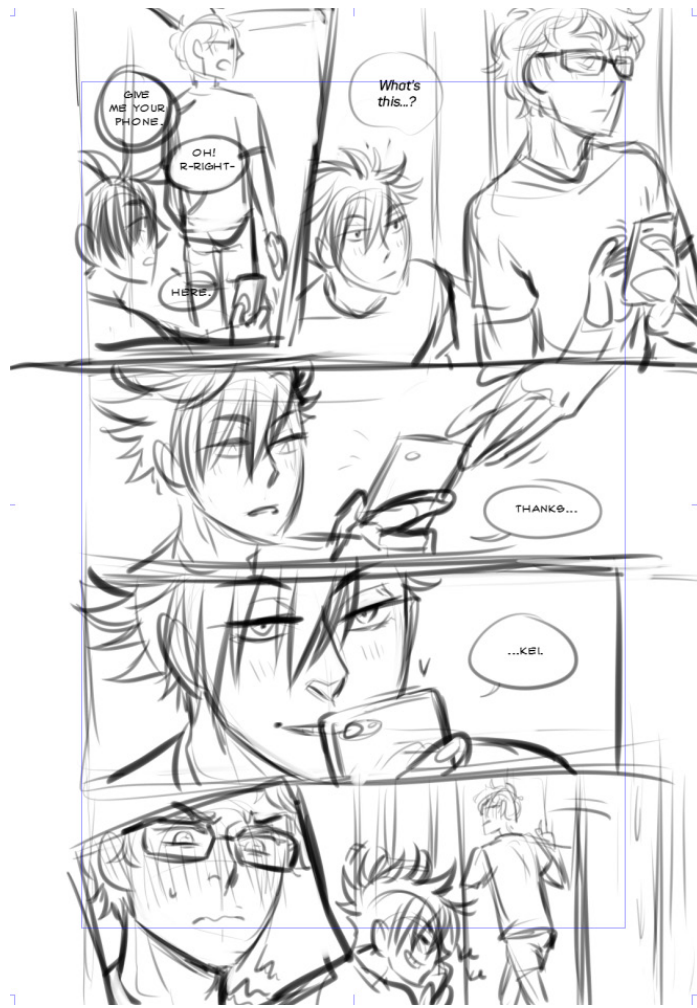

But after that day...

all I wanted was to find some way to rile him up.

Most of the sketchbook portion of this is NSFW/spoiler-y. Pretty much after this page is when the dickin' starts.
