- 1: I'll adjust this when we get back, okay? Sure...
- 2: I... I wasn't sure when you'd start growing them.
- 3: Everett never got a solid answer from your mother. I'm sure he meant to tell you about this before the cancer.
- 4: ... Tell me what?
- 5: That I'm not even human?! That's not a secret you should keep from someone!

- 1: ... So what happened to her? My mother.
- 3: ... she died.
- 4: She got her leg caught in a bear trap. By the time Everett found her, the wound had already infected her blood beyond hope.
- 5: He meant to take you in, to raise you with the knowledge of what you are... but he wanted me to be a part of it.
- 6: I was afraid of that level of commitment, so we devised a plan to get you adopted by Eva since she was having trouble conceiving.
- 7: Does she know? Eva.

- 1: But would you have believed him before you had the wings as proof?
- 3: So... you were telling us about Gormel's biological mother...
- 4: To be honest, I don't really know what she was. Everett had a better understanding of what they were.
- 5: But, he wrote everything down in this notebook, and I haven't felt right about reading it after he died.

- 4: No, she knows nothing. Everything appeared like a legit adoption from her perspective.
- 6: This is indeed up. Give me that.

- 1: Please, Grammet, I want to help you -
- 2: What the fuck can you do if you can't remove them, son you?
- 3: ... no.
- 4: You don't even deserve to help me. You made Everett suffer and abandoned him.
- 5: Now that he's dead you feel guilty and are trying to make it better by helping me?
- 6: Fuck that.

Arialac = Ch 2: Pg 88

- 1: This seems legit. It's hard to replicate Everett's brand of obsessive.
- 2: Are you sure you're fine? We don't have to go to Jame's after this.
- 3: If we leave now I can probably get you home before midnight.
- 4: Yes, I'm sure.
- 5: I honestly don't think I can face my mom right now any ways. I always knew I was adopted, but god.
- 6: Okay, if you say so...

- 5: Are you feeling alright? Yeah, I'm just a little tired, from the drive. "James" / Stop it.
- 6: Ah, well, James has already pulled out the bed in his studio, so you're welcome to go rest whenever you want.
- 7: Thank you. I think I might do that.

Awialai - Ch 2: Pg 92
