 1: That's not what I meant.
 2: It's just - You don't have to pretend to be strange around me. I'm not going to run away.

 5: You are human. You might have wings, but I don't see the difference between the two of us.

Avialae: Ch 2: Pg 97

1: And even if you want, I don't see how it matters.
 2: It matters! What if my wings keep growing and I can't bind them anymore?
 3: What am I gonna do then?!!
 4: I don't know... but we'll figure it out. You don't have to do this alone, okay?

Pencils

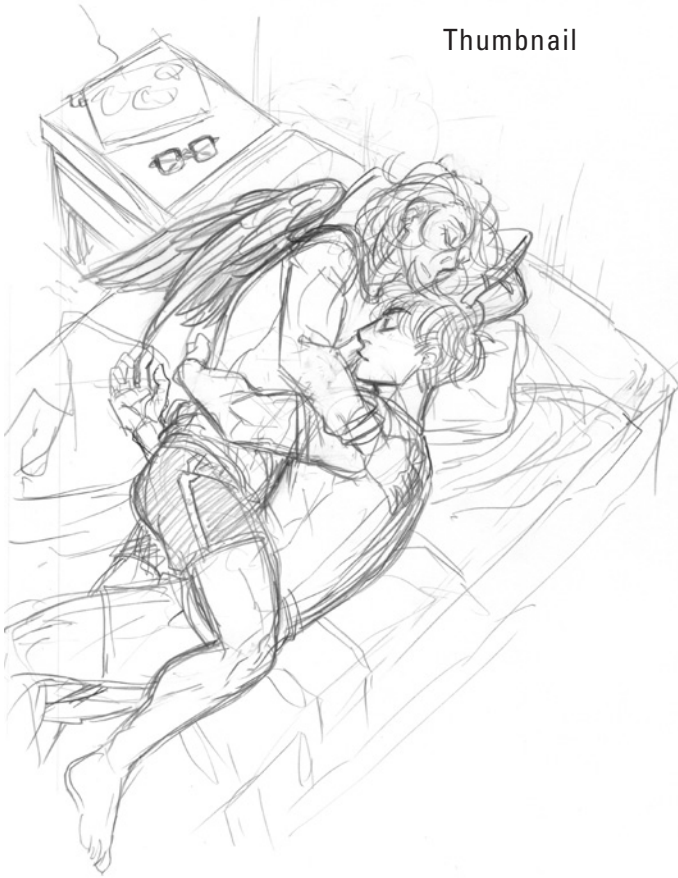

Final

I'm getting special prints done with the Chapter 2 cover! The feathers will be rose gold foil (the proof on the left had the wrong color foil but you get the idea).

I made...a lot of charms in the last two months.

I'm still waiting on the physical charms of the one above...but I love to suffer even in chibi form. :3c

I'm working on a Shiro/Keith doujin for Lucky Juice...it's very angsty sorry lol

It should be up for preorders in early October?? Still working out those details.

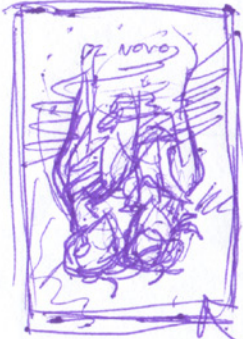

This cover art isn't final as I'm waiting on the printer to approve some printing specifications.

My process for designing covers is 1) think too much about it
2) have unreasonable print specifications

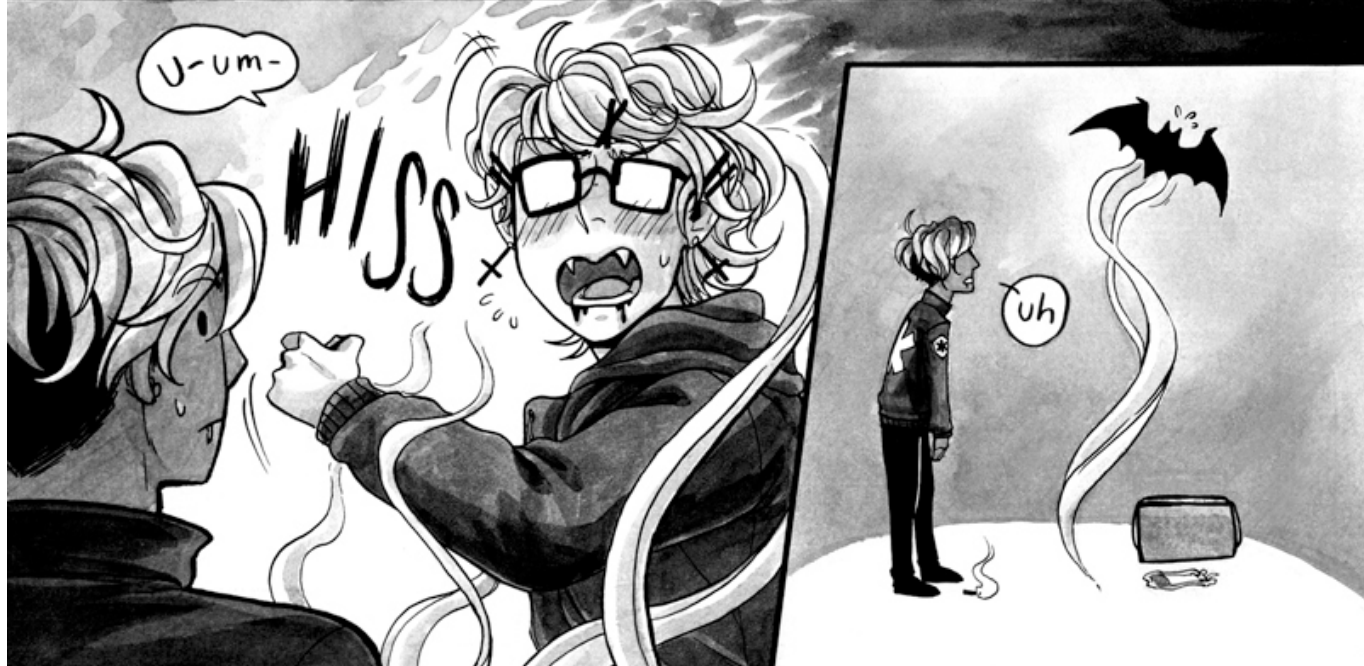

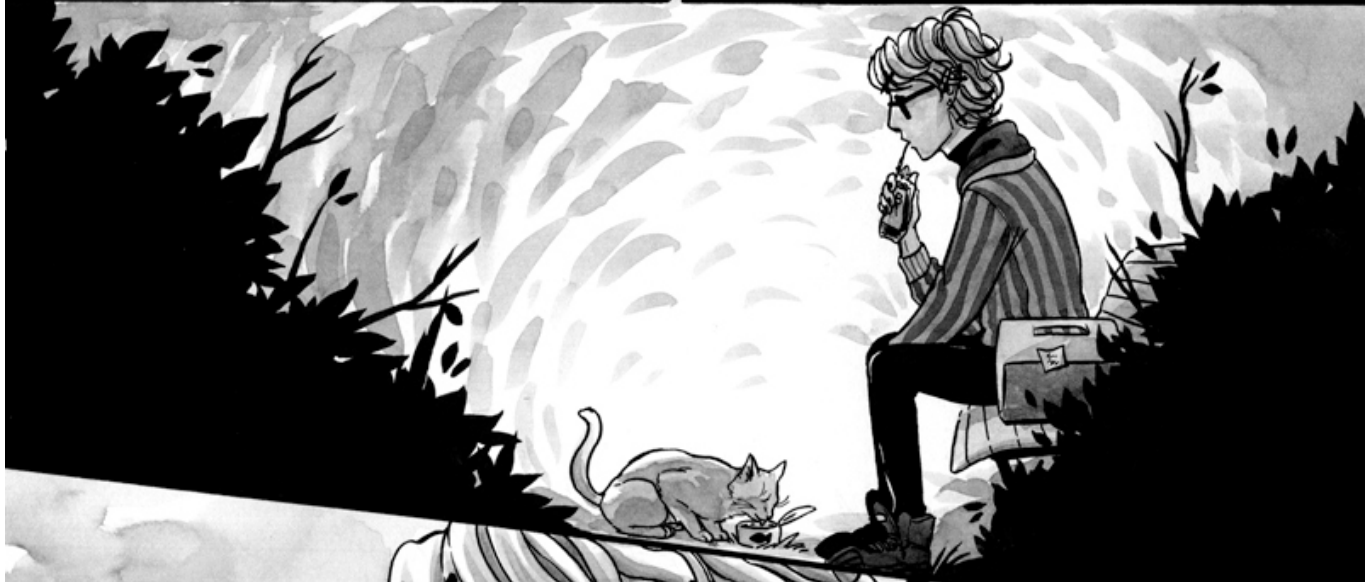

It's been a year since I did my comic for the Purity "Post-Yaoi" Anthology, so I can finally share it with you! I'll be posting this online in a month, but you guys get the first read. :) These were characters I first created in like...high school. But I drastically changed their designs and story. I'd like to do more with them one day...maybe a full length webcomic after Avialae is done in a few years....

Hi,
Uh, I'm not sure where to start. Vampires are real???
If you need blood, I'll keep leaving out a bag
whenever the hospital can spare one. Just make
sure you return the cooler. Those are oddly higher
in demand than the blood.

In exchange, will you answer some of my questions?

1. What's your name?
2. Do you have a favorite blood type and what is it?
3. How did you become a vampire?
4. Are you currently single? :)

Hello,

Thank you, Drake. This is really too kind of
you. I've been avoiding feeding off people,
so I was a little desperate that night.

To answer your questions:

1. My name is, Remo.
2. To be honest, blood doesn't actually taste
good. Vampires don't suddenly have a changed
taste buds. Though, I find that type B negative is
most palatable.
3. I'm a little embarrassed about the way

♥ Drake

Yeah, maybe I should be more concerned with
the moral ramifications of taking blood from
the hospital to give to you. Though our hospital
does have a surplus right now. Sometimes we
just have to throw out old blood bags to make
room for new ones.

And B negative? That happens to be my blood
type. Maybe I'll let you feed from me one day.
You're pretty cute... ♡♡

I don't think you want me to feed from
you. It's not supposed to hurt, but humans
tend to get a little wild when we feed
from them. It's not pretty.

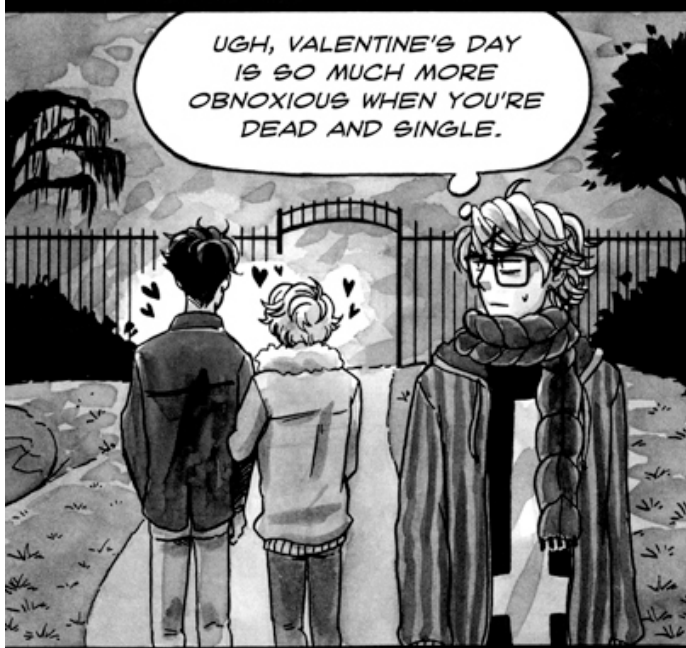

And anyways I'm not cute!! I'm 6'2"!! :/

I'm not doing anything for Valentine's Day.
I told you I was single.

♡ XOXO ♡ Drake

OH GOOD, YOU WAITED!

MMHM...

SO HOW ABOUT IT?

WILL YOU BE MY VALENTINE?

O-OH YOU WERE SERIOUS.

UM... I WILL.

OUCH!
YOU BIT ME!

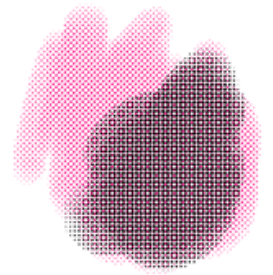

AAAAH!

I-I-I'M SO SORRY!

I HAVEN'T FED IN AWHILE AND MY FANGS JUST CAME OUT...

END

More of Drake and Remo from my Purity comic...vampires have pink hair because they drink blood??? Imao like how flamingos are pink because they eat shrimp/algae.

I'm mad because I'm realizing Drake kinda has Shiro hair...but I designed him like a year ago so PAY UP VOLTRON.

The original idea for these two was Drake (left) is a reaper and he reaps people by touching them. And Remo (right) is a vampire who conveniently can't die from his touch because he's already dead. Then they fuck. Ta daa~

I skipped over the reaper bit in my Purity comic, so I'm definitely bringing that back in if I do something longer with these two. Basically calling it a "southern gothic paranormal homoerotic romance" right now.

THERE'S A LOT OF SHEITH IN HERE SORRY LOL

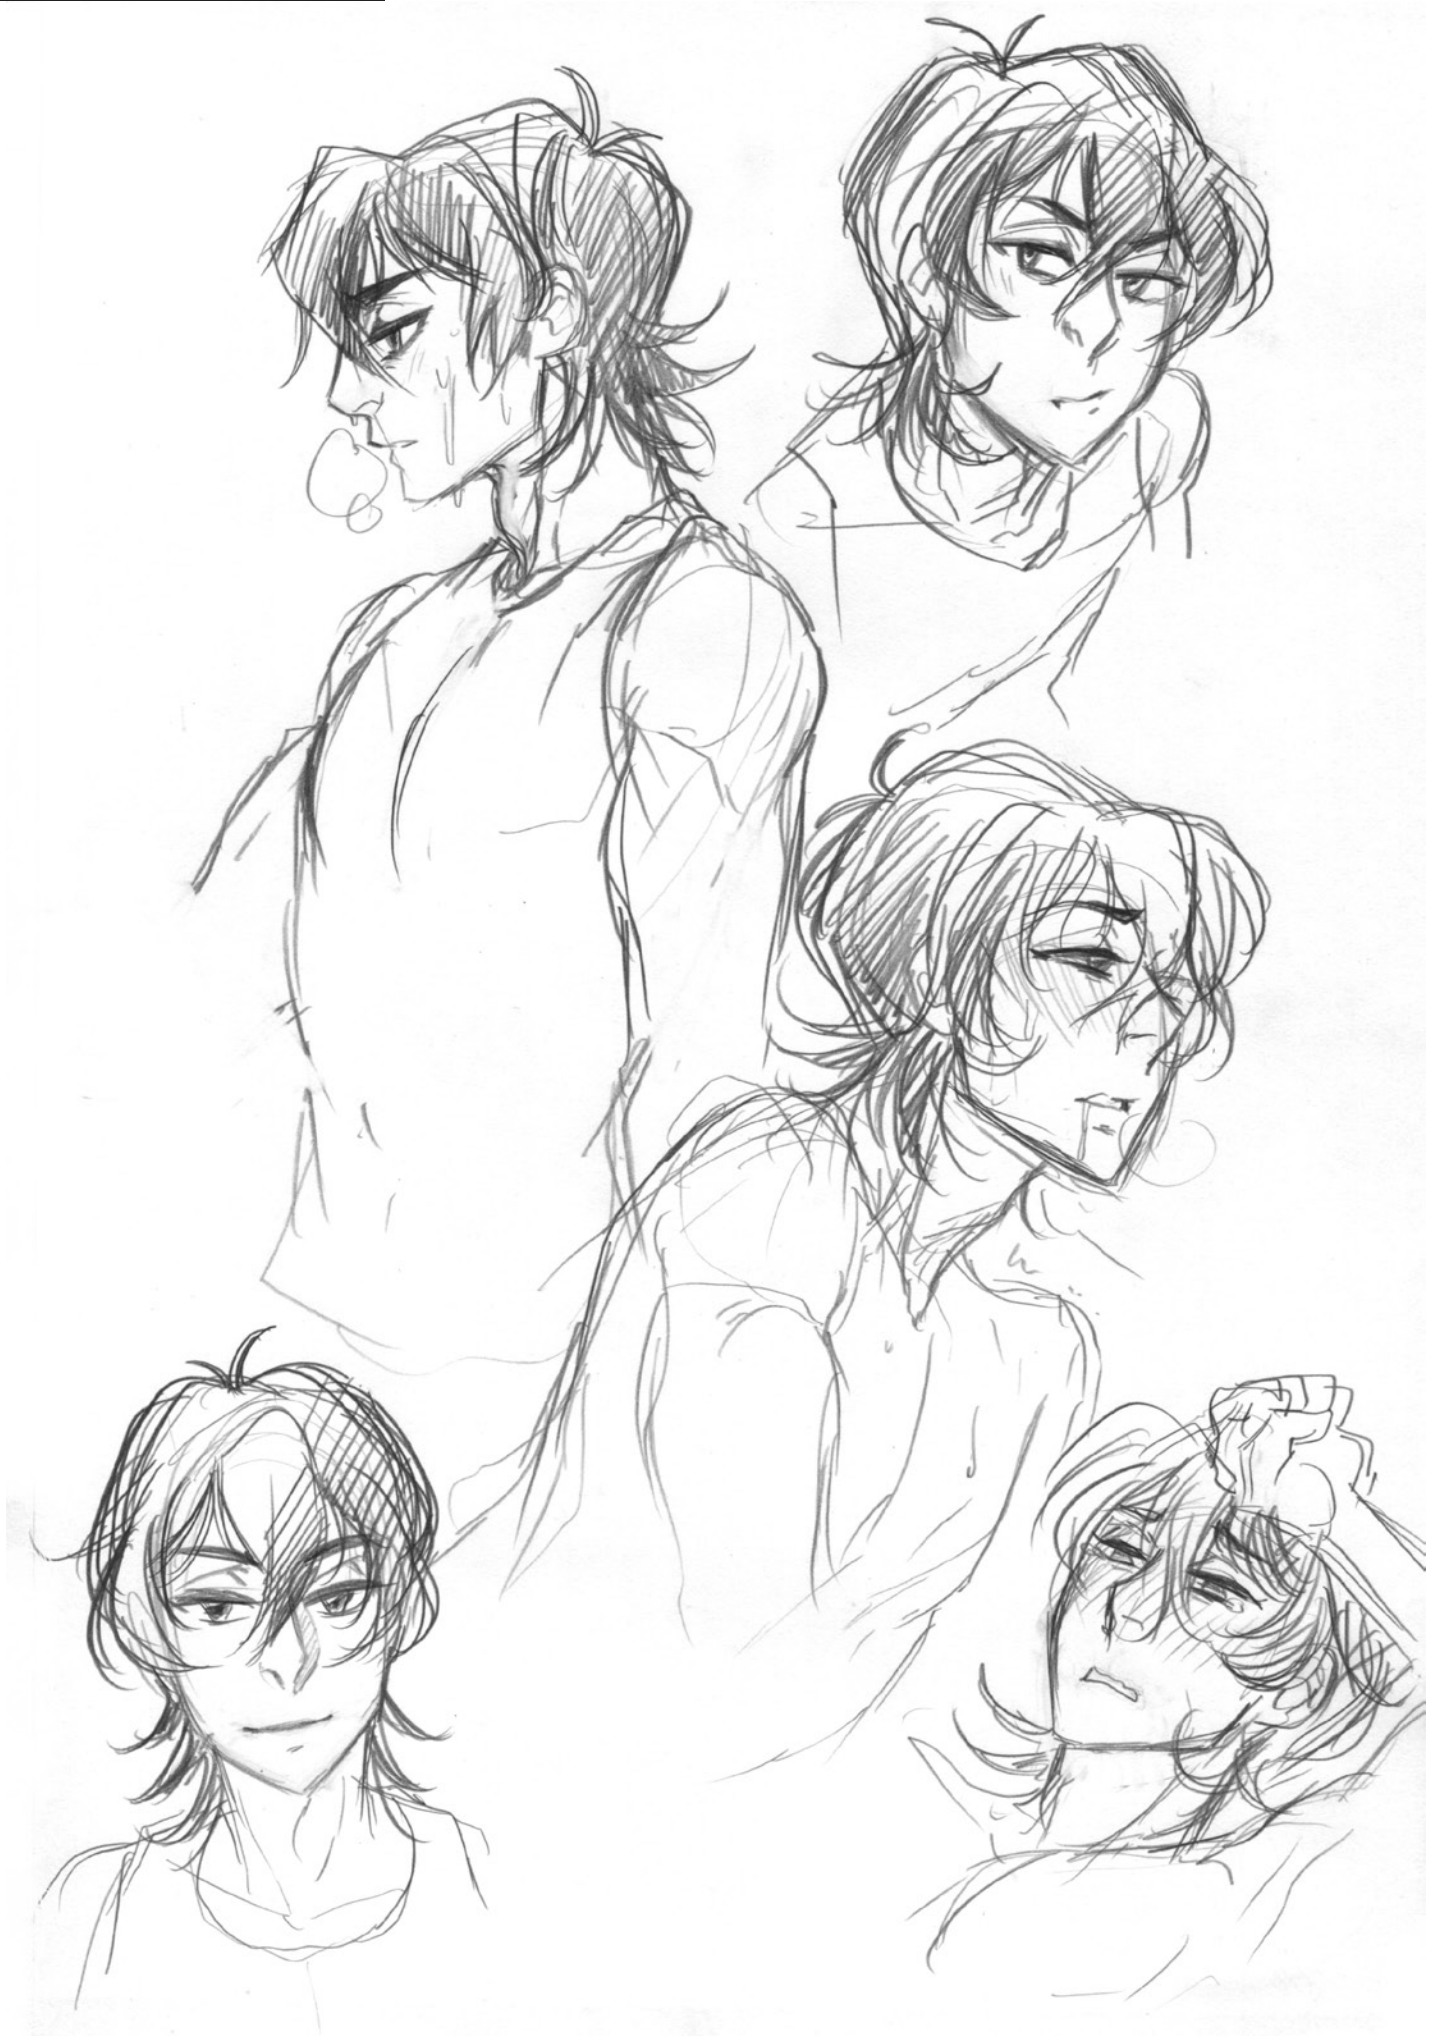

"I still love
you, Takashi"

HE IS SO HARD TO DRAW

I can draw
him fine if
he looks
fuckin'???

You always
hide your fears
w/ your love...

but I think
they're cute

Lucid

too much?

I'm always too much.

I seriously feel like my heart is gonna bust.

Everytime I touch you. It's uncomfortable.
