November-December 2016 | NSFW

Thank you so much for being a Patron!

The next four pages are thumbnails for pages 1-13 of Avialae chapter 3! You may notice that there isn't any dialogue with these. I had to stop writing the dialogue out for each thumbnail since it took too long and I work almost 100% off a script now. So that might make thumbnails less fun to read, but it lets me make pages faster.

My doujin circle, Lucky Juice, is making a Yuri!!! on Ice doujin! This won't be released on my Patreon since I share art and story credits with Jack. It's up for preorder on luckyjuicepress.com if you're interested!

I want him.

I want Victor more than anything.

How do I show him?

I've been trying to seduce him this whole time.

I'm hopeless...

I'm tentatively starting groundwork on trying to restart Impact Theory. Probably won't get to actually putting up pages for awhile, but I think there is still a story there I can salvage.
