Been busy working on the next Yuri on Ice doujin for Lucky Juice. It's an OtabekxYuri doujin!
They're both older and Yurio is tall and gets turned into a cat boy lmao it's so much;;
(fyi, this won't be released on Patreon because it's not a solo release!)

We are releasing acrylic standees along with the doujin!

And now...here are a bunch of screen shots of the pencils...

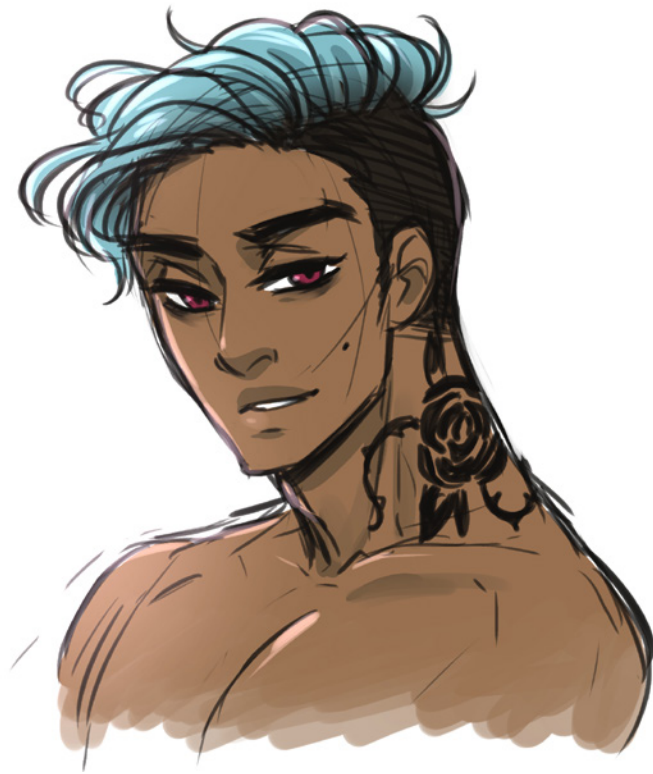

As usual, I've marked where the
spoilers/NSFW content starts in the
sketchbook portion of this!

I'm probably calling this comic "The River Styx" and everyone has anime hair and is trashy as possible.

More potential The River Styx characters...
like I said...
trashy as possible...

KAITO
KURAI

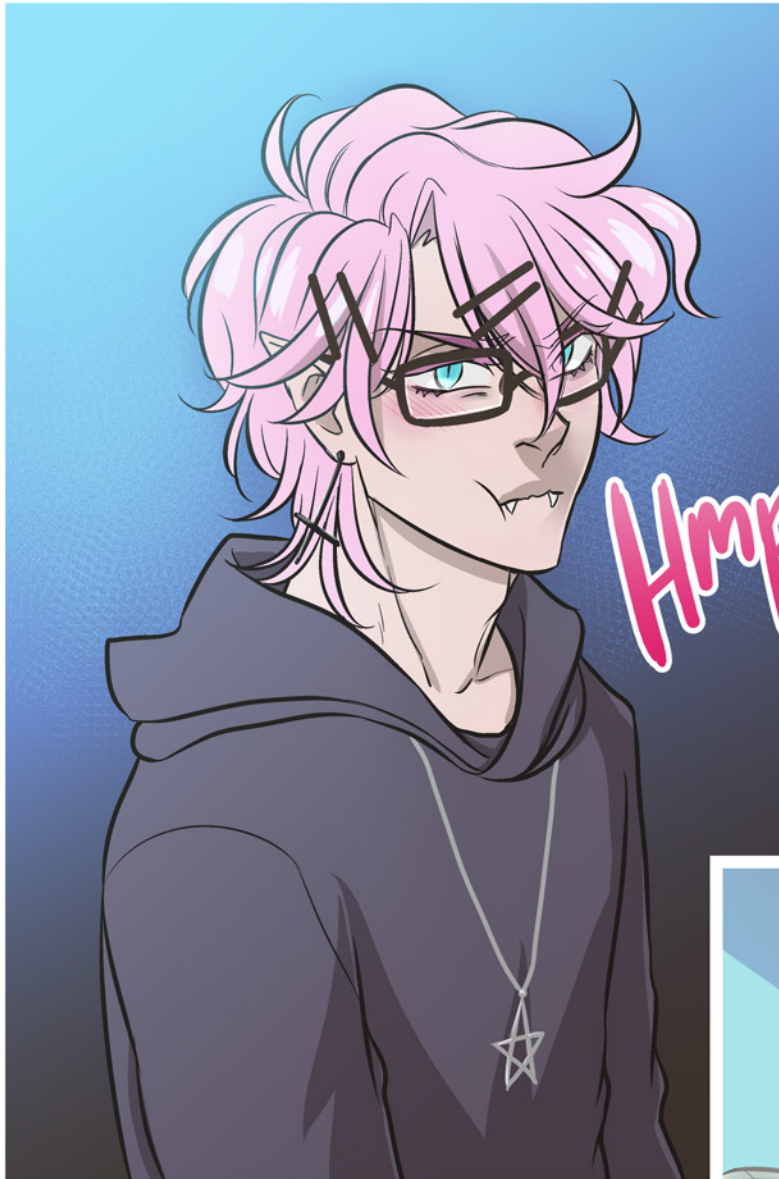

MERHEM

Trying to figure out how
