Avialae standee and enamel pins! I'm very happy with how both of these came out. :) They will be mailed out soon~

I want to make sheith bomber jackets so bad. I just need to find time to do process the designs and contact manufacturers. X_X;;

AVIALAE CHAPTER THREE

Gannet and Bailey have started dating, but each of them are inexperienced with relationships in their own way. While they are learning to accommodate one another, Gannet's wings continue to grow. They are becoming harder to hide by the day, and Gannet has decided to ignore that fact as long as possible so he can make a play at a normal life. Between Gannet lashing out and Bailey's insecurities, the two are bound to learn something about themselves that will test their burgeoning relationship.

Avialae is a popular BL webcomic about a boy who grows wings and gets a boyfriend. Birds n' nerds.

I want to do a fantasy AU otayuri doujin so bad.
Hero/knight Otabek and evil fairy/veela Yurio.
We'll see if I ever have time to do it. ;_;

More OCs from my next possible webcomic. (Either called "River St." or "The River Styx" rn.) This swamp boy is named Sinclair or "slime Gannet." :^)

Another OC from River St.
Crossroads demon named
Emile. Or "mean chomp Bailey."

*eternally

So I started to do figure studies as warmups and they were Boring until I realized I wasn't in school anymore and I could turn them into my OCs. :^)
