The sketchbook section of this isn't terribly long because I really don't find myself sketching a ton lately. Gotta make those pages, y'all.

I've marked where the NSFW/spoilers start!

These are very self-indulgent OCs for an illustrated romance novel I might write?? I've been toying with the idea of picking up prose writing again since I keep coming up with story ideas but there is no way in hell I can make a comic for every one of them.

So no promises yet but uhh this story feeds both 1) pirate fuckers and 2) monster fuckers and that's all I'll say for now. ;)

This is young Ezra and the OG

met yet. :)
