^^^ either sticker or charm
maybe both??

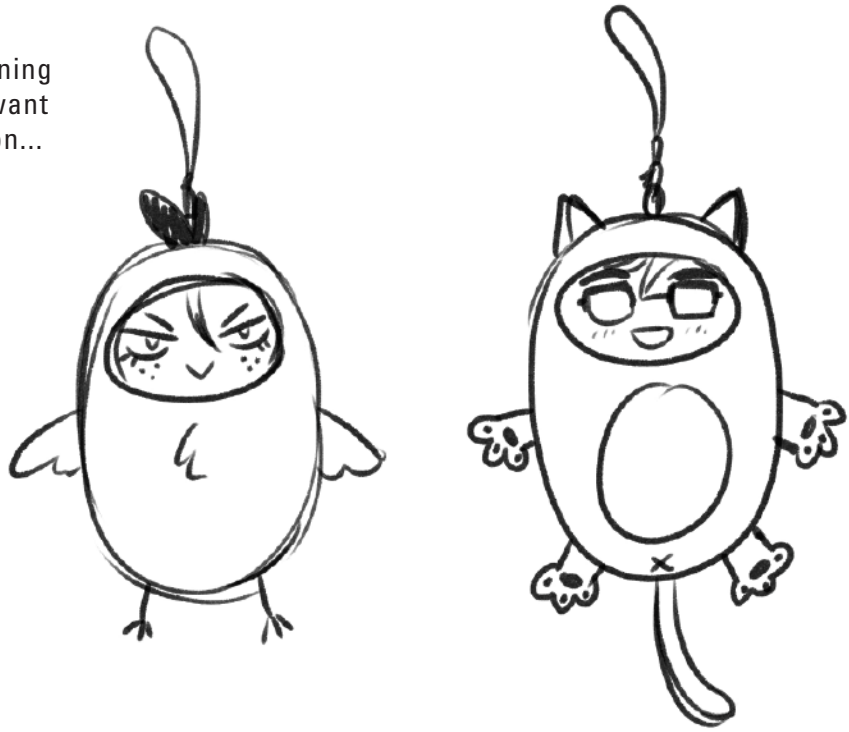

<<maybe an
enamel pin??
(depends if I can
fit the detail;;)

<<smaller standee!
(gold foil hearts if my
manufacturer can do it)

These probably aren't happening with the ch 5 release, but I want to make smaller plushes soon...

Do I make stupid or cute...
The Struggle.

<<Another Avialae standee...
probably not doing this one since
I like the kissing one better!

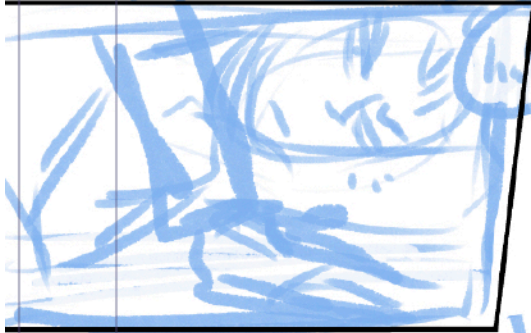

BACK ON MY
KUROTSUKKI
BULLSHIT.
It will be a
standee~>>

started another krtsk doujin awhile ago...college age Tsukki adopts an ugly cat who ends up being Kuroo who is a demon. I probably won't be able to finish it for quite some time...I never have time for fan doujin anymore OTL

I'm doing something different with this one...no script, inking right off of thumbnails...which is a challenge for my type A ass, but I want to be able to do fan doujin faster...otherwise I fear I will never have time to do them again...

WELL THIS IS A WEIRDLY HORNY DREAM.

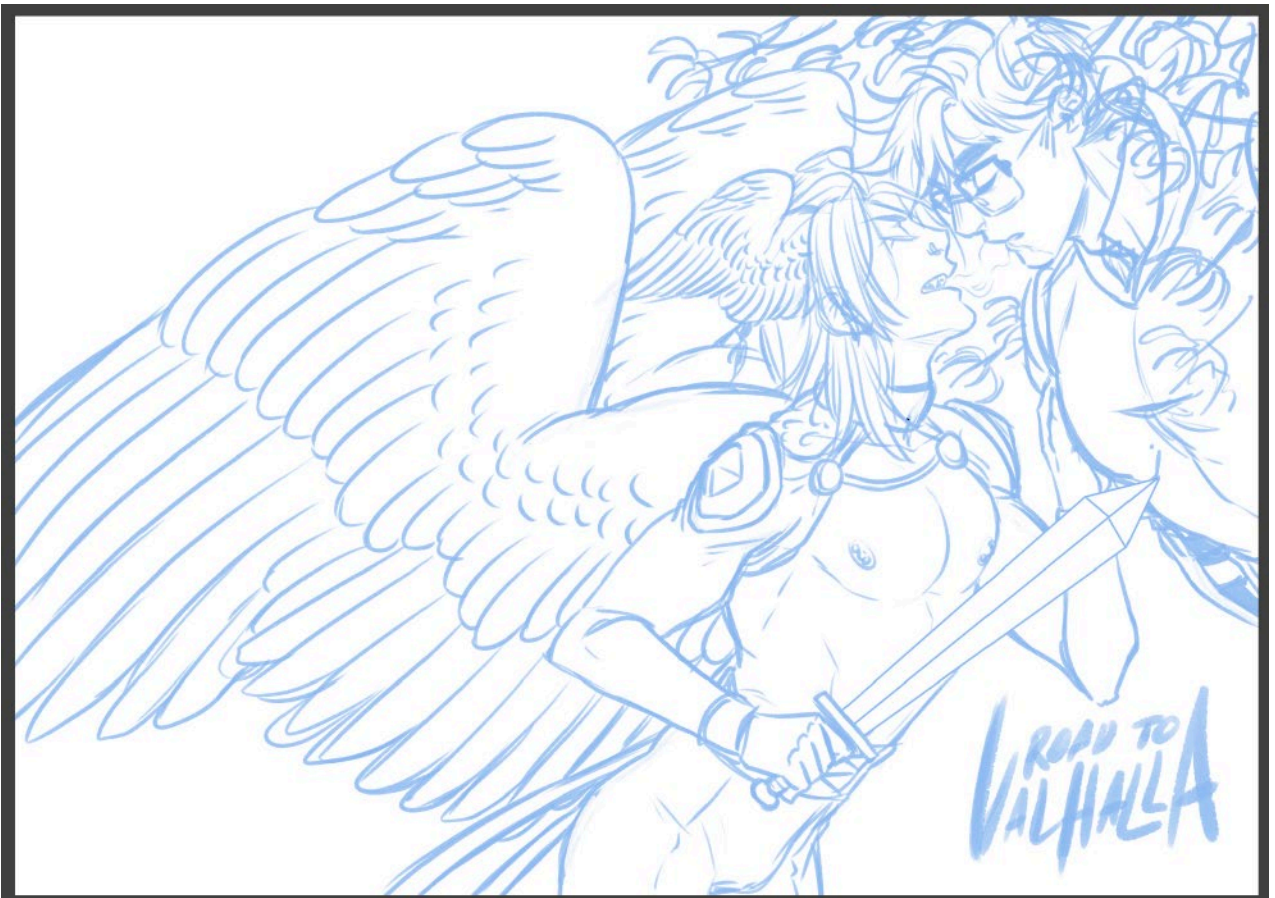

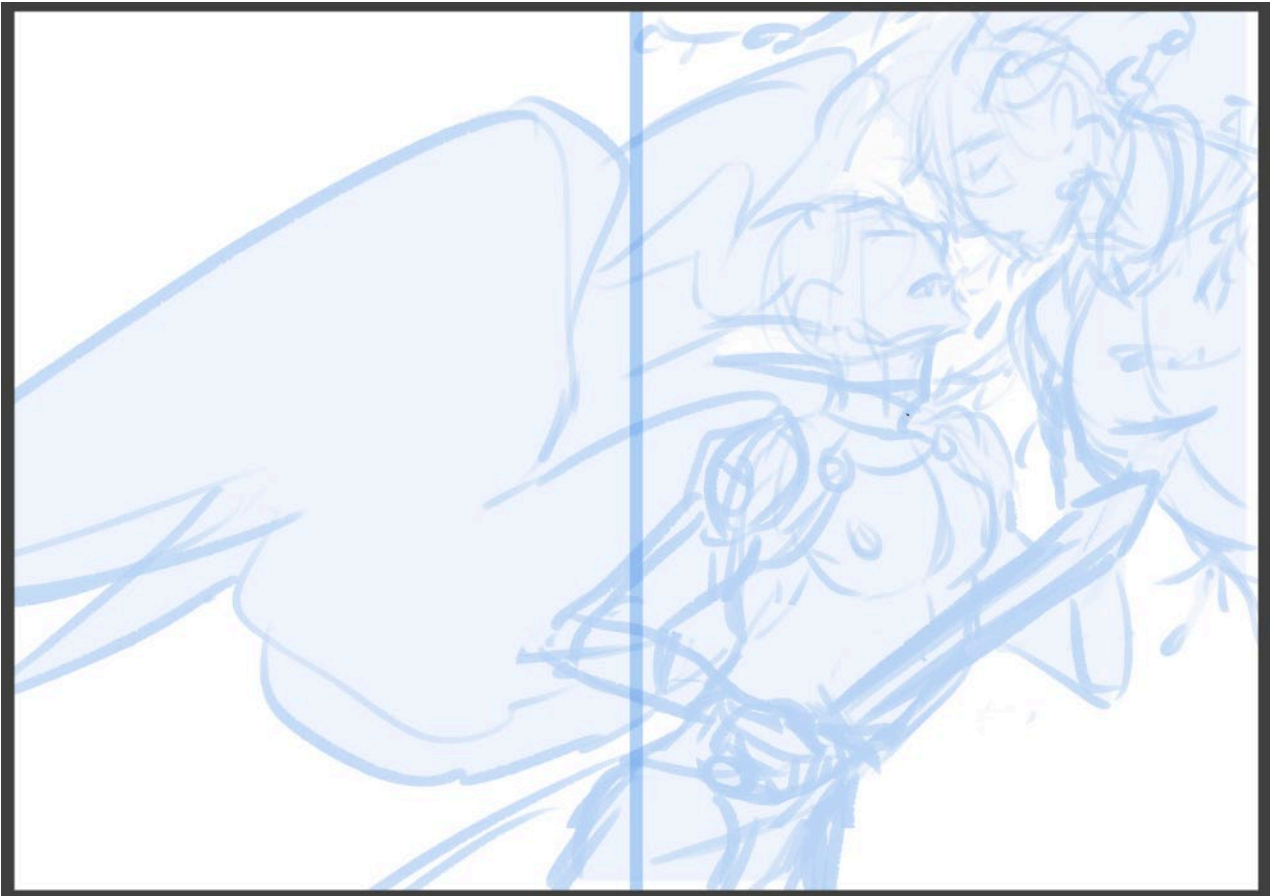

WELL THIS IS A WEIRDLY HORNY DREAM.

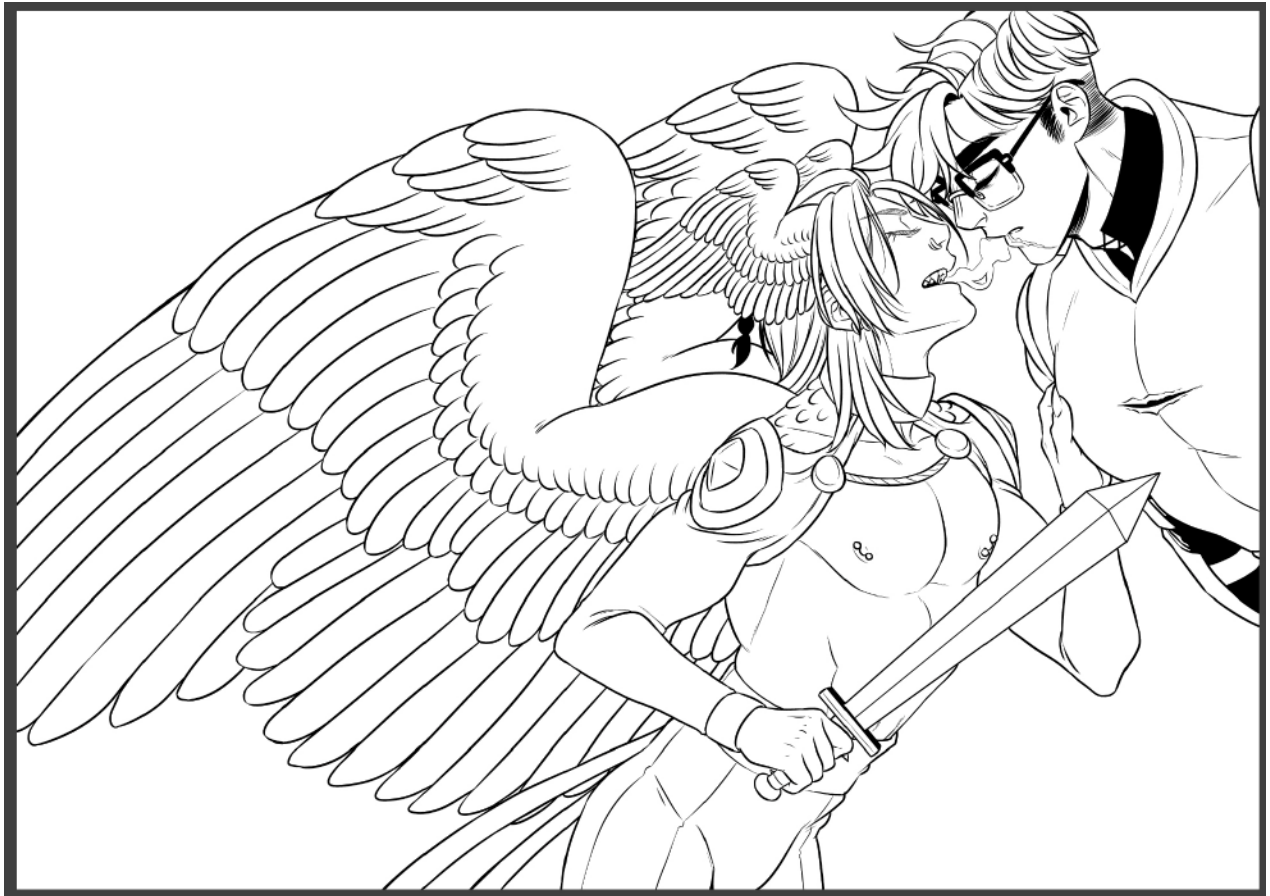

NOT A DREAM!

NOT A DREAM!!

Nya...that's it for now. I have pretty much the whole thing thumnailed and it's not super long, but I honestly haven't had time to touch this since January...
HAIKYUU ANIME IS COMING BACK THO SO MY SOUL STILL BURNS

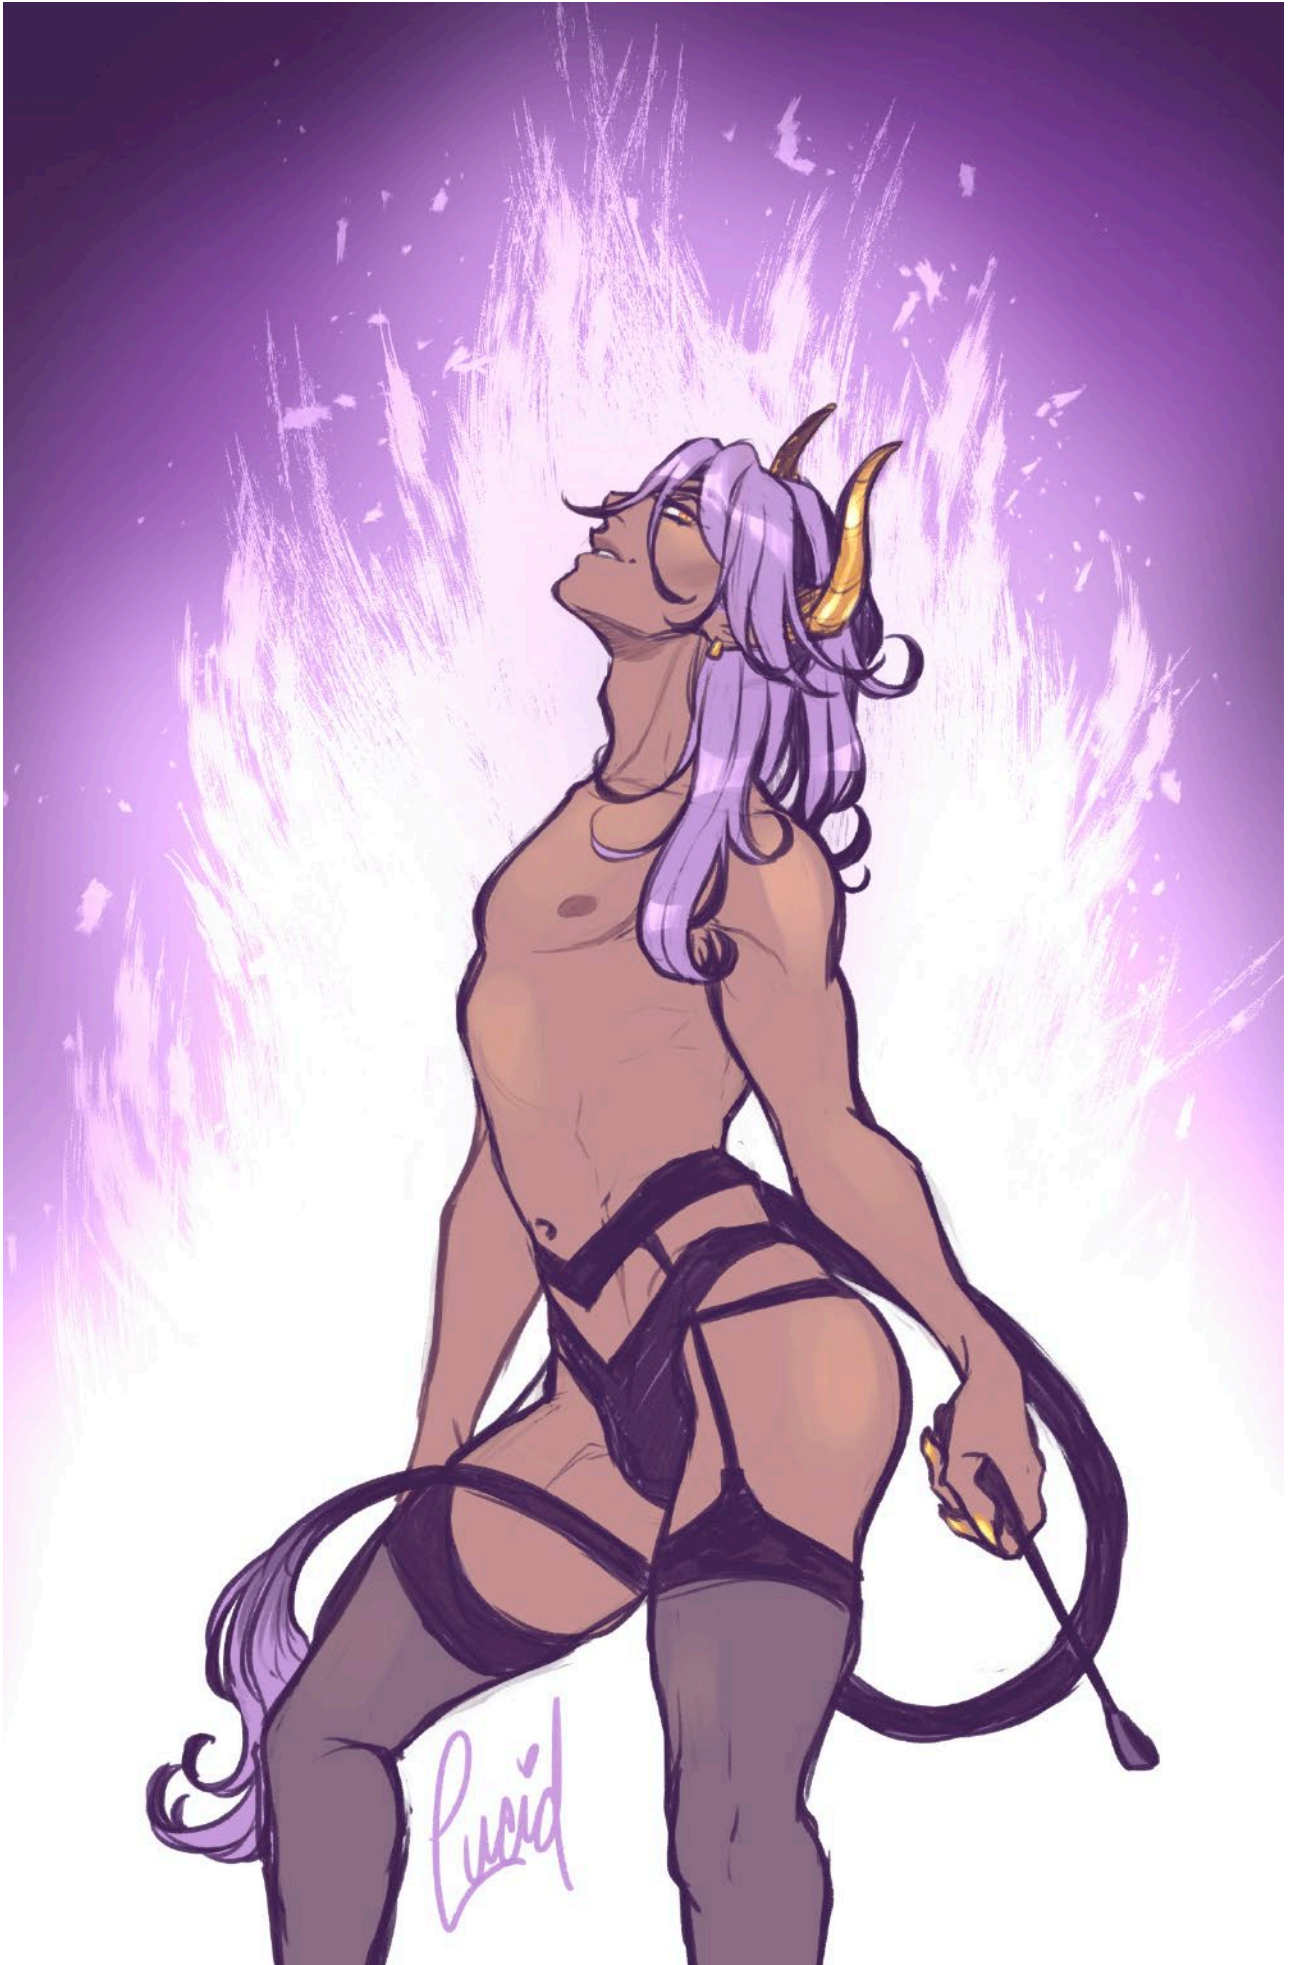

I'd like to print this w a gold foil background...we will see;;

Happy New Year!!

COMING FALL 2020

WANGXIAN!!!! I want to make so much merch for this pairing but you can't sell MDZS fanart so it makes it a bit tricky...it will still happen somehow :3c

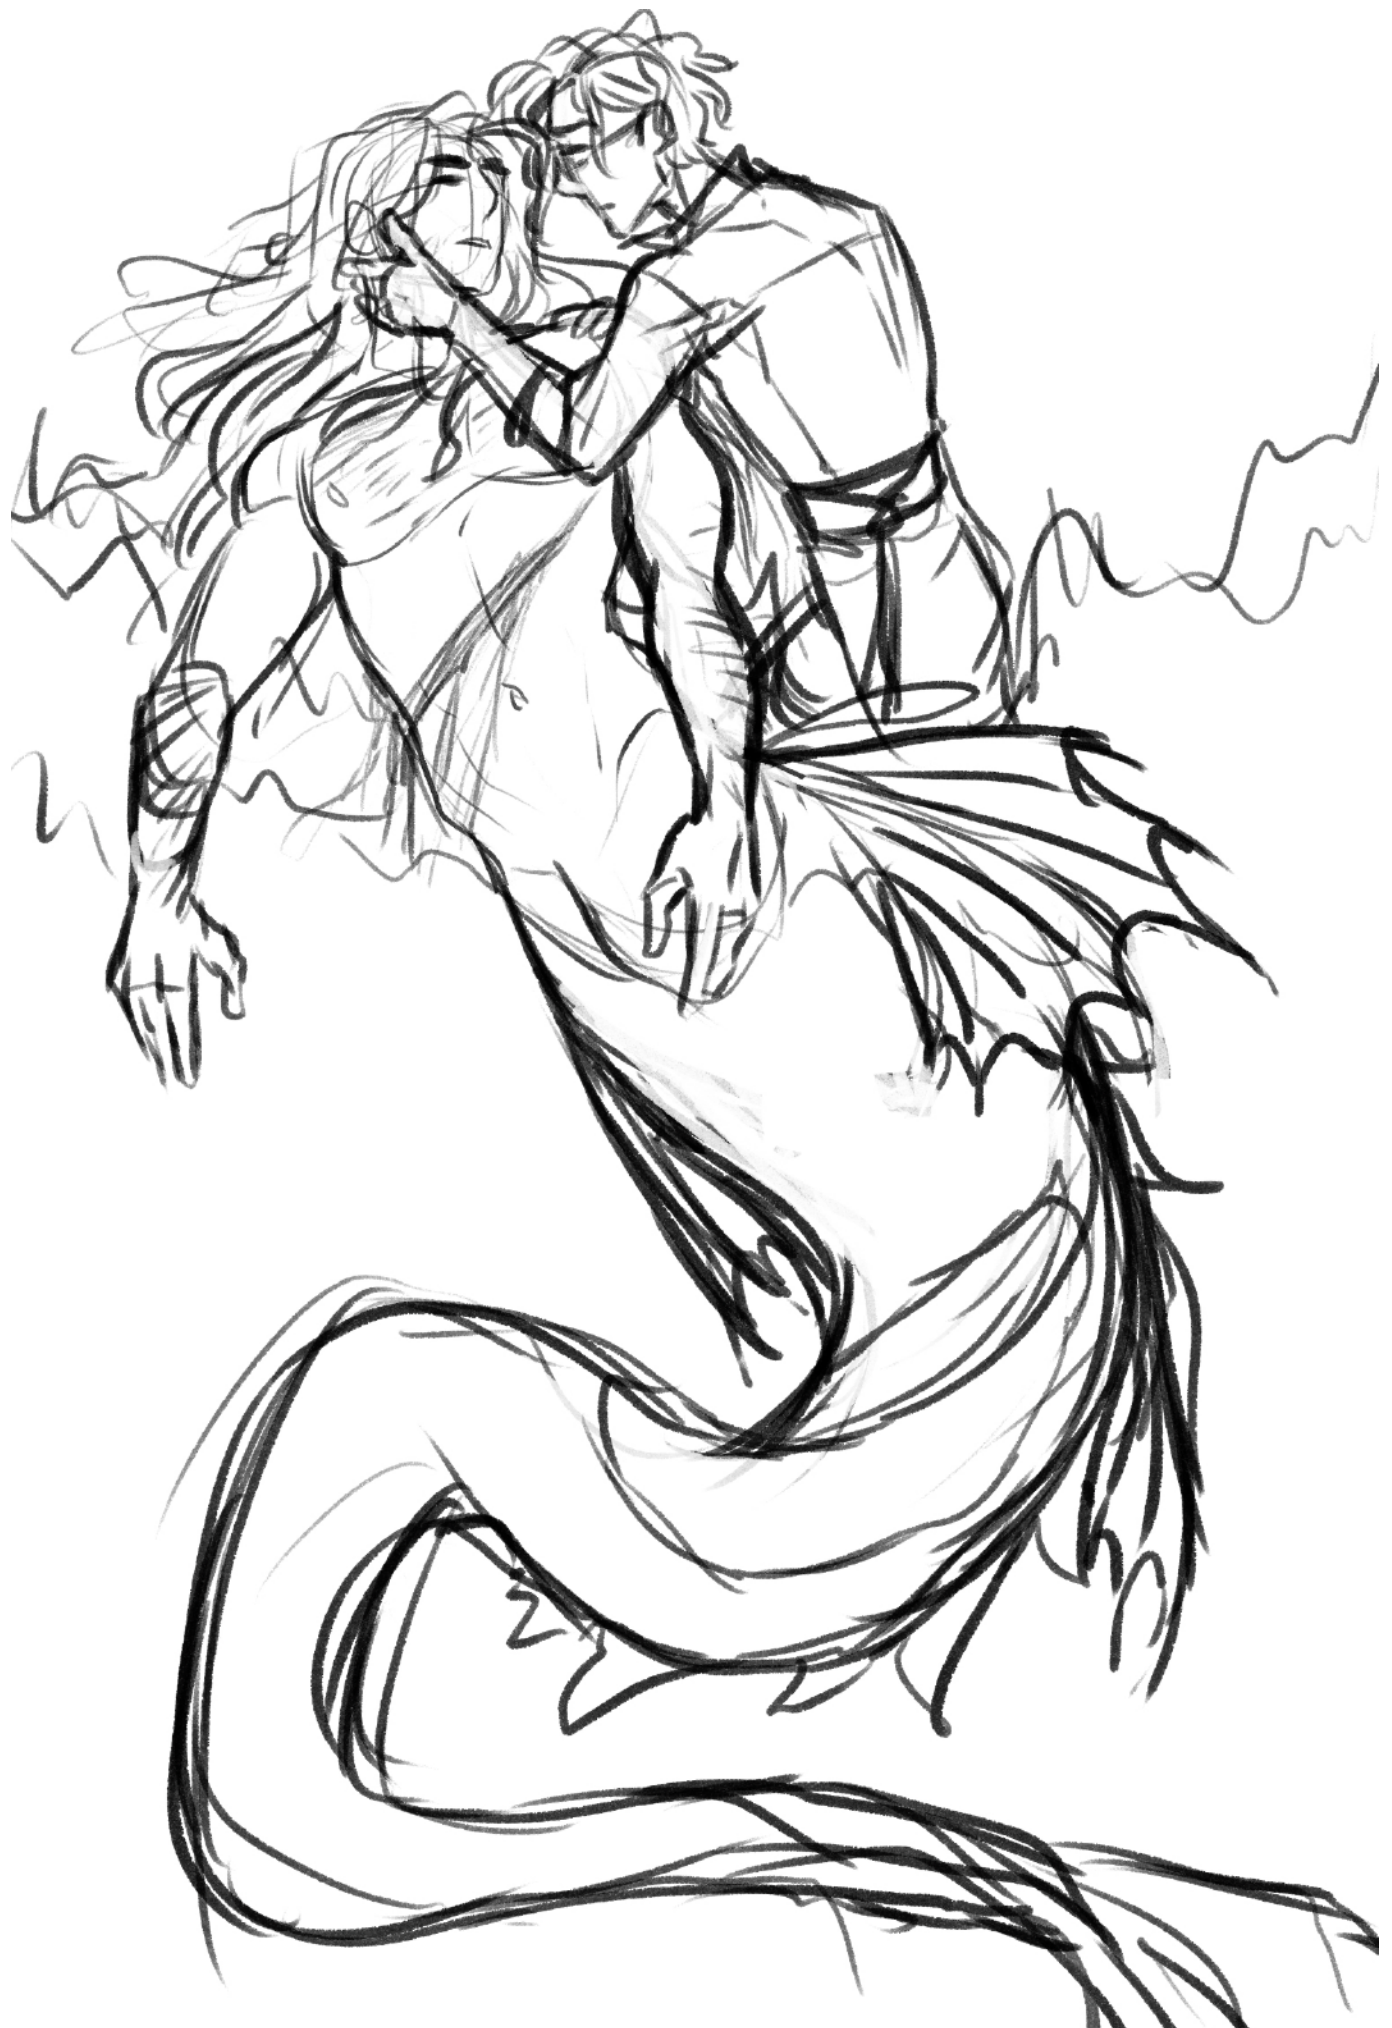

There are some big Avialae spoilers later on, and I've marked where they start! Keep an eye out for the warning~

My gay pirate novel is still a thing I'm working on, but I haven't touched it in awhile since everything has been o n f i r e.

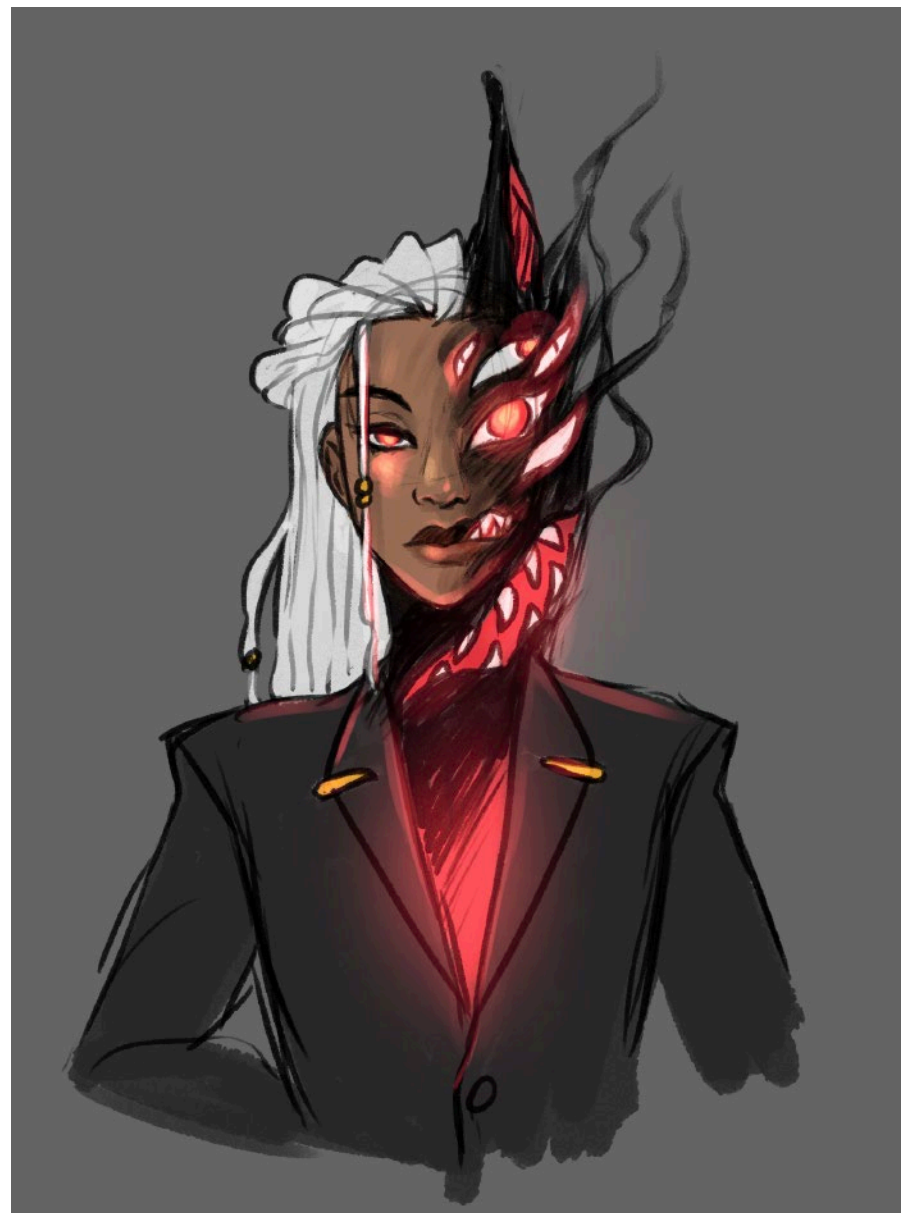

More River St characters...I'll be putting together a River St log for \$10+ patrons so there will be more about these characters there.

Drawing your fav ship dynamics was a thing on twitter so I did mine real quick...I am Transparent.

+ one is angry
+ one is flirty
+ both are emotionally constipated

Soooo some of you know from previous sketchbooks that I have a whole story planned for Silas (Gannet's dad) and Ezra. (Yes they are Together lmao you didn't think I designed characters this hot without hooking them up did you) It's called Avialae: Occultus and it will be replacing the NSFW doujin for \$10+ patrons for awhile. It starts very soon and I'm very excited!!! I wrote the script for it over a year ago and I've been HORNGRY FOR IT ever since.

It takes place 16 years ago when Silas comes back to search for Aletta. Instead he finds her brother and they fall into a kind of weird relationship. It's a tad darker than Avialae so uh get ready?? Still horny tho u know me.
